Sub: Request for information under RTI Act.

Dear Sir,

Regarding registration under Single Point Registration Scheme, I request you to provide following information under RTI Act:

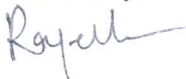

If applicant firm has shown manufacturing premises on rent basis and furnished rent agreement. At later stage it is found that prior to the date of rent agreement, that particular premises is pledged with Bank against one loan account and due to non-payment of loan, Bank has declared the loan account as 'NPA- Non Performing Asset' and Bank has informed to the owner of the premises that he can not sell/rent out the premises without consent of the Bank. Owner of the premises and applicant firm do not disclose this fact before NSIC at the time of application. When at later stage, if these facts are brought to the notice of NSIC, whether the rent agreement given by the applicant firm will be accepted despite of notice of the Bank under SARFAESI Act?

I request you to provide above information under RTI Act at an earliest as the same is very much important in the public interest as one of the certificate holding firm is taking undue advantage of NSIC registration under Single Point Registration Scheme.

As per RTI Act rules, I am enclosing herewith IPO No. 07F 673982 for Rs. 10/-. If any further fee is required to be paid, I will remit the same immediately on hearing from your end.

Thanking you.

Yours faithfully,

(Rajesh Mandawewala)
