

NSIC in association with Slovak Embassy: Business Linkage Program for Indian and Slovak MSMEs – February 19, 2025, New Delhi

National Small Industries Corporation (NSIC), in association with the Embassy of the Slovak Republic, is organizing a **Business Linkage Program** to connect Indian MSMEs with Slovakian companies on February 19, 2025, in New Delhi. This initiative is a strategic effort to unlock business potential, foster meaningful partnerships, and drive economic growth between India and Slovakia.

Program Highlights

- ◆ **One-on-One B2B Meetings:** Tailored interactions to explore import/export opportunities, joint ventures, technical collaborations, and knowledge sharing.
- ◆ **Cross-Border Networking:** Establish connections with Slovakian companies across diverse industries.
- ◆ **Explore New Markets:** Gain insights into Slovakia's business ecosystem and identify new opportunities for growth.

List of Participating Slovakian Companies:

1. Barani Design (<http://www.baranidesign.com/>)

Why You Shouldn't Miss This Opportunity

- Collaborate with Slovakian enterprises eager to partner with Indian businesses.
- Unlock access to European markets and expand your global reach.
- Explore Slovakia's innovative industries and gain valuable business insights.

How to Participate

Indian MSMEs eager to explore opportunities for **trade partnerships, joint ventures, technology transfers, or collaboration with Slovakian companies** are encouraged to participate in this unique initiative.

To register, kindly submit your company details, clearly specifying the Slovak company with which you would like to have One-on-One B2B Meetings, using the prescribed format ([Click here for Format Annexure-X](#)) by February 5, 2025.

For more information, please email us at icdivision@nsic.co.in.

***Note: Only shortlisted companies will be contacted after a thorough review of their profiles.**
