6. Any cutting/over writing etc. in the tender must be signed by the authorized person. The rates and units shall not be overwritten. The financial figures in commercial bid shall always be both in figures and words. In case of any discrepancy in figures and words, the amount written in words shall be considered.
7. The Tenderer may visit the site prior to submitting their offer in order to conduct the feasibility study for laying the fibre optic cable upto server point in NTSC, Okhla. Bidder may contact Deputy General Manager, Training deptt, for this purpose on the phone no. 011-26826801 ext. : 222 or by sending a mail to ntscok@nsic.co.in
8. The Tender shall be placed in a properly sealed bigger envelope addressed to Centre Head, NSIC-Technical Services Centre, Okhla, Phase III, New Delhi and the said bigger envelope shall contain two separate sealed envelopes containing Technical & Commercial bids. **The bigger envelope shall be super-scribed with tender number, due date and time.** The two sealed envelopes inside the bigger envelope must be super-scribed as:
Envelope No-1: "TECHNICAL BID - NSIC/NTSC(O)/PC/ILL/025/2018-19
Due on – 22.04.2019 at 3pm"
Envelope No-2: "COMMERCIAL BID - NSIC/NTSC(O)/PC/ILL/025/2018-19"
9. All the communication with respect to the tender shall be addressed to:
Centre Head,
NSIC- Technical Services Centre,
Okhla, Phase III, Near Govindpuri Metro Station, New Delhi-110020

10. Technical bid will be opened on **22nd April, 2019 at 16:00 hours** in the office Centre Head at NSIC Technical Services Centre, Okhla, Phase III, New Delhi - 110020. A representative of the Tenderer may be present at the time of opening of the tender. The date for opening the second envelope containing commercial bid will be intimated to the qualifying bidders separately. In case, the Tender opening date is declared a holiday, the tender would be opened on the next working day at prescribed time.
11. NSIC reserves the right to accept or reject any or all of the bids received in response to the above referred invitation at any point of time, without assigning any reason.

We confirm that the Instructions to the tenderers at S.No-1 to 11 as stated above have been thoroughly read while filling up the tender form.

Signature of the Tenderer with stamp

TERMS AND CONDITIONS OF THE BID

1. Qualifying Conditions for Eligible Bidder: -

- a) The Service provider/ Bidder should have Category 'A' ISP license from Govt. of India (Attach a copy of license with Technical bid).
- b) The Service provider/ Bidder should have annual turnover of at least Rs.150 crore for the last three audited financial years. Annual Audited Financial Statements for last three Years to be attached.
- c) ISP must have DOT license to setup and operate International gateways.
 - i) ISP should have their own/direct access to international gateway in India, for providing Internet bandwidth, which should be connected onto international fibre systems only (not on satellite)
 - ii) ISP should have atleast one Point of Presence for peering with Tier 1 carriers and local peering within India with atleast one other ISP.
- d) Service provider/Bidder should have a fully functional Customer Service Centre(s)/ NOC(s), which is operational 365 days X 24 hours. List of Customer Service Centre(s)/NOC(s) must be enclosed with Technical Bid.
- e) Service provider/Bidder should have its own fiber based backbone network of 5000+ kilometre.
- f) The Service provider/Bidder should not have been blacklisted by any government organization.

With Respect to point no. d, e, f above, the Service provider/Bidder shall give self-declaration in an undertaking on letterhead as per Annexure –'C'.

The NTSC, Okhla reserves the right to carry out the capability assessment of the Service provider/ Bidder and the NTSC, Okhla decision shall be final in this regard.

2. DELIVERY, INSTALLATION & COMMISSIONING PERIOD:

Service provider/Bidder shall deliver, install and commission the Internet leased line at NTSC, Okhla within 30 days from the date of award and acceptance of contract.

ISP shall designate one nodal officer to coordinate for the execution of this Project till successful completion.

3. LIQUIDATED DAMAGES (LD):

The bidder shall take appropriate steps to ensure that the installation & commissioning is completed within the stipulated time to avoid imposition of liquidated damages. In the event of any delay in completion of the job liquidated damages @ 0.50% per week of the total order value will be recovered subject to maximum of Rs.20,000/- i.e. EMD for the Tender.

4. TESTING :

After commissioning of said Internet Leased line, the services shall be tested for fifteen working days. The Internet Service Provider shall submit network availability &

bandwidth utilization report on daily basis during the testing period. The services shall be continued after satisfactory performance during this period. In case of unsatisfactory performance, the services shall be discontinued and further no payment shall be released.

5. CONTRACT PERIOD :

- a. This contract will be valid initially for a period of one year however it may be extended subject to successful performance & requirement of services.
- b. Either Party may terminate the contract at any point of time during the contract period by giving 3 months notice.
- c. The period of contract may be extended on the same finalized terms and conditions for further period also on the basis of satisfactory services and mutual agreement.

6. MAINTENANCE & WARRANTY PERIODS:

- a) The Service Provider/Bidder will be responsible for the comprehensive maintenance during the warranty period of three years for which NTSC, Okhla will not make any extra payment. Warrantee period will start after the acceptance of installation & testing of complete connectivity.
- b) The Service provider/Bidder will do preventive maintenance once a quarter for upkeep of the Systems running. The schedule will have to be adhered strictly by the Service provider/Bidder.
- c) The Technical support services shall be provided 365 days X 24 hours.
- d) The response time for attending the faults will be four hours (maximum) after they are reported to the Service Provider.
- e) The Service Provider will rectify the faults within 24 hours failing which; the Bidder will arrange temporary replacements.
- f) 99% uptime shall be calculated as (Total Time – Down Time) X 100 /Total Time on quarterly basis. Deduction in payment will be made for downtime in the quarterly bills raised by the Service provider/Bidder as per details below:

#	Downtime	Penalty in % on Quarterly bill
1	≥ 99.00%	0
2	≥ 95.00% to < 99.00%	10
3	≥ 90.00% to < 95.00%	20
4	< 90.00%	100

7. EARNEST MONEY DEPOSIT :

- a) Technical Bid should be accompanied with an earnest money deposit of Rs. 20,000/- (Rupees Twenty Thousand only) in the form of a Demand Draft drawn in favour of “NSIC Ltd.-NTSC A/c” payable at New Delhi on a scheduled/nationalized bank.
- b) There is an exemption of EMD applicable to those units having valid registration under Udyog Aadhaar/ Single Point Registration Scheme of NSIC for the Services for

which this tender is issued. **A copy of valid certificate shall be enclosed along with the Technical bid for availing exemption from Tender Fee & EMD.**

- c) NSIC Technical Services Centre shall not be liable for payment of any interest on EMD.
- d) Tender is liable to be rejected in case EMD at prescribed rate is not furnished along with the tender.
- e) Any request by the bidders to consider their EMD furnished by them to NTSC for any other contract/ tender cannot be considered as EMD for this tender.
- f) The EMD will be returned to the unsuccessful bidders soon after the orders are placed on the successful bidder. In case of successful bidder, the EMD will be returned after at the end of contract subject to successful performance.
- g) The EMD will be forfeited in following cases:
 - I. If the bidder fails to accept the order based on his offer (bid) and within the prescribed time.
 - II. If the bidder fails to provide the connectivity with specifications in compliance to as mentioned in Annex. – A
 - III. If the bidder delays the commissioning beyond reasonable time resulting in disruption of NTSC works
 - IV. If the performance during the contract period is found unsatisfactory

8. TAXES :

- a) The percentage of Tax must be quoted in clear terms separately. If the taxes are not mentioned separately in the Price offer, it will be presumed that the rates quoted are inclusive of taxes.
- b) The Service provider/Bidder should submit valid documentary proof of GST Registration Number and the details of income tax registration (PAN).

9. VALIDITY OF QUOTATION :

The quotation must be valid for 90 days from the date of opening of quotations. NTSC, Okhla reserves the right to request the Service provider/Bidder for the extension of the validity of the quotations. The Service provider/Bidder will be at liberty to accept or reject the request.

10. SCHEDULE OF PAYMENT: Mode of payment will be subject to the following conditions on various tasks as under:

a) **One time Installation & Configuration Charges:**

One time charges will be paid after the testing period defined in point no. 3, for which the tenderer shall submit tax invoice in duplicate (original + copy) giving the reference number of the supply order along with the installation, commissioning and testing report acknowledged by the nominated officer of NTSC, Okhla.

All statutory deductions as applicable like TDS shall be made from the payment to the Supplier upon submitting the tax invoice.

- b) **Recurring Charges:** Recurring charges including bandwidth and other annual charges if any, are payable quarterly (after end of each quarter) on producing tax invoice along with a report confirming the 99% uptime in the quarter.

11. RESPONSIBILITIES UNDER THE CONTRACT: The Service provider/Bidder would be responsible for the following:

- a) The Service provider/Bidder shall be responsible for providing the 50 Mbps (1:1 uncompressed and unshared with last mile on fibre optic) leased line internet connectivity with same upload and download speed at any point of time at NSIC Technical Services Centre, Okhla, New Delhi, at all the time throughout the contract period.
- b) To provide 50 Mbps Internet connectivity (Leased Line) at NTSC, Okhla along with Internet Router Port at ISP Gateway for required Bandwidth and minimum 10 Public IP addresses including Reverse Lookups configured at these IP's.
- c) The Service provider/Bidder will have to provide 10 no. of Public IP (IPV4) free of cost.
- d) The Service provider/Bidder shall be responsible for Installation, commissioning, configuring of the link and hardware (Mux, Modems and Router etc).
- e) The Service provider/Bidder shall be responsible for maintenance support service (365 days X 24 hours) for bandwidth and equipment.
- f) The Service provider/Bidder would insure that the local loop provisioning does not violate regulations as laid by Government of India/TRAI in respect of such links/networks. Bidder will be responsible for making all the payments towards the local loop charges/rentals etc.
- g) Liaisoning (if required) with other firm(s) for obtaining point to point connectivity between ISP node and NTSC, Okhla, shall be the responsibility of quoting firm.

12. SERVICE LEVEL AGREEMENT : The Service provider/Bidder will be required to sign Service Level Agreement having the following conditions:-

- a) Ensure the connectivity with 50 Mbps Internet bandwidth at all the time.
- b) Packet Losses: Less than 1% (Average over 1000 ping) at any given point of time to any part of globe.
- c) Latency: Less than 350 ms from NTSC, Okhla to ISP's tier 1 peering point.
- d) Network Availability: More than 99.0 % per month.
- e) Reports for performance, monitoring/usage to be submitted by the Service provider/successful Bidder on weekly or monthly basis or as per requirement of NTSC, Okhla.
- f) The bidder will provide the facilities to measure the above parameters at IT Division of NTSC, Okhla. The facility of measurement / monitoring of above parameters or graphical display will be provided by the bidder.

In case of the above parameters going out of specifications, NTSC, Okhla will be compensated adequately in respect of the extended time/ deduction in payment for the loss of hours in service.

13. **SUB-CONTRACTING OR SUB-LETTING:** The bidder is prohibited from sub-contracting or sub-letting of the work to any other agency.
14. **CANCELLATION/TERMINATION OF ORDER BY NTSC, OKHLA:**
- In case, the Service Provider fails either to accept the order or to acknowledge the order without any pre-conditions within 3 days of award of order or fails to start the services according to the stipulated time, NTSC, Okhla reserves the right to cancel/terminate the contract with immediate effect.
 - If services are not found satisfactory during contract period, NTSC, Okhla reserves the right to cancel/terminate the contract by giving 30 days notice at the cost and risk of the Service Provider to the claim of NTSC, Okhla against the successful bidder for damages and the successful bidder shall have no claim against NTSC, Okhla for any compensation for such termination.
- It may please be noted that in either case, a or b above, EMD shall be forfeited and Service Provider may be blacklisted and shall be barred by NSIC to do any business for next three years.
15. The Service provider/Bidder not complying with above conditions or not providing complete information as described or tenders received in open covers shall not be considered.
16. NTSC, Okhla reserves the right to verify/seek confirmation of all original documentary evidence submitted by Bidder in support of above mentioned specification for eligibility criterion. In case any information furnished by the bidder is found to be false/incorrect at any stage, the bid shall be summarily rejected and no correspondence on the same shall be entertained.
17. **ARBITRATION :** All disputes or differences whatever arising between the ISP and NTSC, Okhla shall be settled by the sole arbitrator appointed by NTSC, Okhla. No objection shall be raised on the ground that the arbitrator so appointed is an employee of NSIC or is one of the parties to the tender himself or that the persons so appointed had to deal with the matter to which the tender relates in his official capacity.

We confirm with our acceptance to the Terms & Conditions stated under point 1 to 17 above.

10. Submission of technical confirmation to the requirement specified below

S.N.	Technical Specification for Internet Leased Line Connection	Specify Yes/No for compliance
1	The Internet connectivity leased line should have fully dedicated (1:1), unshared & High Quality 50 Mbps symmetric bandwidth without any compression factor through Optical Fiber cable till last mile.	
2	The ISP/bidder should have fully resilient and self healing network architecture, on fiber medium, from the international gateway in India upto the international Points of Presence	
3	The ISP/bidder has independent Network Operation Centre for trouble shooting with 24x7 supports to take care of the ILL link management requirements. The service provider network should be backed by availability of service personnel in New Delhi to attend faults. The service provider should furnish details of Toll Free number for logging complaints	
4	Internet Router Port at ISP Gateway for required Bandwidth and 10 Public IP addresses of ipv4 pool	
5	The successful bidder should furnish a detailed network/ schematics diagram of total solution proposed showing connectivity from ISPs gateway Terminal Point to required locations of the IT Division of NTSC, Okhla, New Delhi	
6	The successful bidder should submit technical literature explaining the proposed implementation diagram with the technical bid	
7	The connectivity from the POPs of service providers to NTSC, Okhla New Delhi, premises shall be through Optical Fiber Media	
8	All the equipment supplied by the bidder should be capable of handling higher bandwidth in case up-gradation is required in the later stage.	
9	Any Software and Hardware required to establish the purchased bandwidth will be provided by bidder to make leased line fully functional	
10	All the POPs from where the ILL bandwidth is provided to NTSC, Okhla should have redundancy of equipment, links, power, backhaul connectivity etc. Service provider needs to confirm it in writing.	

S.N.	Technical Specification for Internet Leased Line Connection	Specify Yes/No for compliance
11	The ILL links should be available in full duplex mode which must be demonstrated to Engineers of IT Division of NTSC, Okhla	
12	Service provider has to provide facility to IT Division of NTSC, Okhla, to monitor the SLG (Service level Guarantee) parameters (as per point 12 of T&C) and log the Trouble tickets on line. NTSC, Okhla should also be able to obtain standard reports on the ILL links' Bandwidth Utilization (in Mbps, in frames/sec), Errors (frames/sec), Discarded (frames/sec), Non unicast(frame/sec), Bandwidth availability, Packet loss (in %), Latency of links etc. through any network monitoring tool / web browser provided by service provider.	
13	<p>IT Division of NTSC, Okhla will consider the successful provision of the link subject to Satisfactory Acceptance Test. The methodology for the test will be at the discretion of the NTSC, Okhla. However, the same will be shared with the Bidder / SP.</p> <p>Following tests may be adopted :</p> <p>a. Average latency should not be more than 250 ms up to ISPs 1st Tier 1 peering point.</p> <p>b. Domestic Latency < 80 Millisecond during peak traffic hours</p> <p>c. International Latency < 350 Millisecond during peak traffic hours</p> <p>d. Packet Loss < 1%</p> <p>Facilities of testing above parameters will be provided by the Bidder / ISP</p>	
14	The above said services shall remain valid for three years period from the date of commissioning.	

Only those bidders shall be considered qualified in technical bid who comply to all the requirements above.

11. Documents enclosed in the Technical bid are as under :

- a) Duly filled with sign & stamp Tender documents (All pages from no. 1-17)
- b) Authority Letter on company's letter head to authorize Signatory on behalf of the participating company.

- c) Cheque/ Demand Draft towards EMD and Tender fee or copy of valid registration certificate for exemption from Tender fee & EMD
- d) Copies of PAN, GST registration duly Signed & Stamped.
- e) Copy of License for ISP category 'A'
- f) Copy of License for setting up & Operating International Gateway from DOT
- g) Copy of Annual Audited Financial Statement for last 3 years
- h) Undertaking on letter head as per Annexure "C".
- i) Details of customers with contact details to whom Internet Leased line services with 50Mbps or higher bandwidth are provided
