Salt Lake, Kolkata – 700091

We hereby confirm our acceptance to the instructions (S.No-1 to 21 above) as given above.

SIGNATURE OF THE CONTRACTOR

GENERAL CONDITIONS OF CONTRACT

1. Corporation shall mean ‘The National Small Industries Corporation Ltd. (A Government of India Enterprise) ‘NSIC Ltd., Block – CP, Plot No. 7/7 & 7/8, Sector – V, Salt Lake, Kolkata – 700091 and shall include their legal representatives, successors and permitted assigns.
2. The bids should be valid in the case of all the tenders for at least 04 months from the date of opening of the tender. In the case of the successful tenderer, rates quoted shall be valid for the entire period of the contract.
3. The contractor or his representative should not remove, disturb, and dislocate the existing equipment and its parts from its positions until and unless it is authorized by the Engineer-in – Charge.
4. The entire installation should be intact at any time of inspection as was handed over to him at the time of initial taking over of its maintenance and operation. Care shall also be taken not to damage installation by improper handling.
5. The Contractor shall inspect and examine the Site and its surrounding and shall satisfy himself before submitting his tender as to the nature of the Site, the quantities and nature of works and material necessary for the providing the services.
6. The Contractor shall be deemed to have satisfied himself before tendering as to the Correctness and sufficiency of his tender for the works and of the rates and prices quoted in the Schedule of Quantities, which rates and prices shall except as otherwise provided, cover all his obligations under the contract and all matters and things necessary for the proper completion and maintenance of the Works.
7. **TAKING OVER OF FIRE FIGHTING AND FIRE ALARM SYSTEM FOR AMC CONTRACT**
 - All the equipments of Fire Fighting and Fire Alarm system shall be taken from the department on “as and where installed” basis in running condition.
 - The contractor shall ensure that all the equipments of Fire Fighting and Fire Alarm system are in proper working conditions at the time of taking over.

- After completion of the contract, contractor shall hand over the system in perfect running condition (complete in all respects as per inventory) to the department.

8. Commencement of Work

The Contractor is required to start the work within 10 days from the date of award / date of communication of acceptance of the tender. In case it is found that the work has not been taken up within ten days from the date of acceptance of the tender or issue of the work order, the NSIC may cancel the work order and forfeit the Security Deposit, deposited along with tender without any reference to the Contractor.

9. DURATION OF CONTRACT :

The contract would be initially for a period of 02 years from the date of commencement of work. However, the rates shall be quoted for 01 year in Bill of quantities. It can be extended further period of one year on the same terms and conditions, if both parties desire/agree. In case the party will not rendered services satisfactorily, the contract will be terminated by NSIC by given 10 days notice.

10. Renewal of the contract

After expiry of the AMC of 02 years, the agency/contractor may be required to provide AMC services for subsequent year also which can be extended further on satisfactory performance of the previous year of the contract.

11. The rates of AMC shall be inclusive of all taxes, duties octroi, works contract tax, cartage loading, sales tax, turnover tax and any other statutory taxes and service tax complete in all respects, valid for a period of one year from the date of award of contract.
12. The tenderer shall take into account basic price, cost of labour, T&P, taxes as applicable, conveyance / cartage etc. before quoting the rates. No extra claim what so ever in this regard shall be entertained. Parties are required to quote there Pan No., Tin No, Service Tax no, GST registration.
13. The tenderer shall quote the rates in the enclosed “BOQ of the equipments of Fire Fighting and Fire Alarm system in annexure “A” only. The AMC is Non – Comprehensive type. Any material /

equipment required for smooth functioning of the system will be provided by NSIC.

14. PAYMENT TERMS AND CONDITIONS:

- The payment to the agency will be made on quarterly basis at the end of each quarter against invoice with PAN number, raised by the agency and based on past performance. TDS, Service Tax, WCT and any other tax as applicable as per prevailing rates will be deducted before making the payment. Quarter shall mean three months.
- The maintenance charges quoted by the agency per item is on yearly basis inclusive of all taxes and levies applicable. No escalation of prices shall be permitted on any ground.
- The AMC premium will be released quarterly at the end of each quarter on production of bill and service reports duly signed by the Engineer in charge or any other authorised staff of the NSIC Ltd. Salt Lake.
- This is the sole responsibility of the contractor to submit the service reports of scheduled / breakdown service report at the time of submission of bill.

15. Security Deposit:

Total security deposit shall be 10 % of the accepted tender cost and shall be deposited by the contractor within ten (10) days of receipt of the letter of intent/notification of acceptance of the tender by him. The earnest money deposited shall be converted into initial security deposit.

All compensation or other sums of money payable by the contractor under the terms of this Contract or any other Contract or any other account whatsoever may be deducted from the security deposit.

Refund of Security deposit: Security deposit refundable without interest to the Contractor shall be refunded to the Contractor on the Engineer-In-Charge certifying in writing that the AMC period of 24 months has been completed satisfactorily.

Security Deposit will be forfeited in the event of the contract offered in full or in part not being fulfilled by the Tenderer/Contractor.

SSI units registered with the NSIC under its Single Point Registration Scheme will be exempted from submission of Security Deposit.

16. Labour:-

- a.) The Contractor shall employ its labour in sufficient numbers to maintain the required rate of progress and of quality to ensure workmanship of the degree specified in the Contract and to the satisfaction of the Engineer-in-Charge. The Contractor shall not employ in connection with the Works any person who has not completed eighteen years of age.
- b.) All the workers or employees deployed by the contractors shall be considered the employees of contractor and corporation shall not have any liability what so ever in nature in regard to such workers/employees.
