Motor warranty Minimum 5 year on wash motor and Minimum 2 year on spin motor <p>Note: It is explicitly being made clear to the bidder that this item would be used by the "Washerman (Dhobi)".</p>

2	Refer Clause 2(x) of T&C	The selected vendor shall supply only those products/tool kits which are not obsolete in the market and have at least 2 years residual market life from the date of expiry of warranty/ Guarantee period i.e. the product shall not be declared end-of-life by the OEM before this period.	Para 2(x) of T&C is to be treated as deleted.
3	Refer Clause 2(xxiii) of T&C	Installation of Washing machine by OEM shall be the responsibility of the Vendor at the premises of Beneficiary within 7 days from the date of the delivery and the selected vendor shall update the date of installation on the Dashboard for monitoring. In case any breach of timelines for installation as mentioned herein, a penalty of Rs.100/- per tool kit per day shall be imposed and the same shall be recovered from the Vendor through a demand which must be deposited within 10 days from the issue of demand letter, in the absence of which, performance Bank Guarantee will be invoked. The contract for selection of vendor for supplying the tool kits is liable to be terminated in case the cumulative value of penalty exceeds 90% of the value of Performance Security and further appropriate action may be initiated.	Para 2(xxiii) of T&C is to be treated as deleted.

All other terms & conditions in RFP remain unchanged.

This Addendum/Corrigendum forming the part of RFP document shall be signed & stamped by authorised signatory of the Bidder and be submitted along with Technical Proposal.
