## **Corrigendum**

**Subject:** - Corrigendum to tender for Supply, Installation, Commissioning & Maintenance of Biometric Attendance System along with Leave & Attendance Software Application

Reference is made to the tender no. NSIC/HO/TISDC/65 w.r.t. Supply, Installation, Commissioning & Maintenance of Biometric Attendance System along with Leave & Attendance Software Application. In this regard it is informed that there are following amendments in the tender documents. Bidder may accordingly bid for the same.

### **Clause:**

#### **1. Scope of Work**

##### **A. Supply, Installation & Commissioning**

### **Amendment (Addition):**

#### **1. Scope of Work**

##### **A. Supply, Installation & Commissioning**

The specifications provided are bare minimum specifications for the Finger Print Identification device as per the internal analysis of the requirement by NSIC.

The bidders are free to quote for higher specification which should ensure smooth functioning of the complete solution.

While quoting the bidder should also ensure to factor for any other additional items required for installation and commission of the Centralized Biometric Attendance System. Cost for such should be included in the total quote of the bidder.

No additional charges will be paid to bidder other than those quoted in the financial bid as per Annexure 'B'.

# 1. Scope of Work

## A. Leave & Attendance Software

### Additional Clause:

- I. For employees on travel, there should be provision to allow them to mark attendance from more than one place. Attendance marking at multiple locations should be configurable and locations for marking attendance can be added or deleted.
