

To,

Subject: Supply and Installation of CCTV Colour Camera and other Security related Equipments.

Sir,

Introduction

National Small Industries Corporation Ltd, hereinafter referred to as “NSIC” or “Corporation” is having its Head Office (HO) at New Delhi and Zonal Offices, Branch Offices and Technical Services Centres, etc. in different cities across the country. NSIC has Head Office and Software Technology Park at Okhla Industrial Estate, New Delhi 110 020. In order to strengthen security / surveillance at NSIC Head Office and STP Building, it has been decided to install CCTV System in NSIC H.O and STP Complex to monitor, capture and record the happenings at all the important points, viz. Entry and Exit points, parking, Reception, Waiting Room, STP Extension, etc, for round the clock surveillance.

NSIC proposes to invite quotations in respect of the above mentioned work from the eligible vendors as per the specifications and details given. Interested parties are requested to quote their competitive rates for supply of subject work mentioned above.

The quotation should be accompanied by Earnest Money Deposit of Rs. 25,000/- by way of DD/Banker’s Cheque in favour of NSIC Ltd. payable at New Delhi. No interest will be paid on EMD. Quotations without EMD shall be summarily rejected. The EMD of the unsuccessful bidders shall be returned after finalization of contract.

The schedule of quantities/specification for the subject work is given as per Annexure.

Terms and conditions:

1. 100% payment will be released only after completion/installation of the equipment and after satisfactory performance report.
2. Performance guarantee valid for period of ‘Warranty Period’, an amount of Rs. 50,000/- by way of DD/Bank Guarantee will be required to be deposited by the successful bidder before starting of the works as a performance guarantee. No interest will be paid towards the amount deposited as performance guarantee.
3. Comprehensive replacement warranty is required for all the electronic equipment, Colour Cameras, etc, In case of cables – repair/replacement warranty is required.
4. The warranty period is 2 years on all the materials supplied.

5. The Colour Cameras and Security Equipment should be UL/FCC & CE certified.
6. The CCTV system shall comply with all currently applicable status, regulations and safety EMC standards.
7. The equipment shall conform to latest applicable international standards code.
8. The Bidder should produce authorization certificate from the direct OEM and not its agents or dealer for Colour Cameras proposed.
9. The bidder should specify names of brands & model nos. quoted by him.
10. The bidder should have executed at least two similar type of work during the for last one year and at least equal of 50% value of each work of Colour Cameras in any Govt. Organization, PSU's. Copies of latest order from any Govt. Dept., PSUs, Nationalized Banks to be enclosed with the quotation. Bidder should have successfully completed similar work at Government departments or Public undertaking.
11. Bidder company/firm should have registered/branch office in India.
12. The Bidder should have support & maintenance office at Delhi/NCR city to attend the installation/post installation support.
13. The quoted rates above should include all the power supplies and related paraphernalia which come with the equipment.

The documentary evidence in respect of all the above points would have to be provided while submitting quotations. Quotations not accompanied by documentary evidence shall liable to be rejected. NSIC reserves the right to reject any or all quotation without assigning any reason.

Delivery/Completion schedule.

The delivery and installation of equipment under the project will be done within 2 weeks from the date of receipt of confirmed order.

The price quoted by the unit shall be valid for 60 days from the date of submission of quotation.

Supplied material shall have minimum warranty period of two years from the date of installation. During warranty period supplier shall be responsible to the repairing / replacing of components (s) as deemed fit and shall be liable for any incidental losses, if any, to Corporation, of whatsoever nature, during repairing of equipments. All types of risks & covers shall be borne by suppliers only.

The supplier should mention clearly the cost of materials, octroi, other applicable taxes, if any, etc. in the quotation.

Payment will be released by Cheque after satisfactory installation and commissioning of the equipments.

All the bidders are advised to visit the site for assessing the location / condition for installation of equipment before quoting the rates. The bidders have to provide undertaking that they have inspected the site and completely understand the scope of work involved. The rates should be quoted accordingly

Any variation on the project has to be mutually agreed and with the written request and approval. A provision/ requirement for installation of equipment is to be clearly mentioned by the supplier.

The Management has the right to cancel any quotation without assigning any reason.

Your offer should reach this office on 25th September 2009 by 3:30.PM.

Thanking you,

Yours faithfully,

(Jasbir Singh)
DG M (Admn)

Encl: Annexure as above.
