Tender for 'Consignment agency for handling and storage of Aluminium Metal Products & Operation of Stockyard' at Baroda.

Tender No. NSIC/ M/ZGM/8(17)/16-17 /.....

General Terms and condition of the contract:

1. NSIC is desirous of appointing a contractor / consignment agent (hereinafter called the contractor) for providing storage handling and invoicing services and all other incidental services related thereto (hereinafter called the services) for various products of M/s. Bharat Aluminum Company (BALCO) / M/s. Vedanta Limited - Aluminum (VL) i.e. Sheets, ingots , wire rods and rolled products etc. at Baroda. The general terms and conditions shall be as under:

2.1. BALCO / VL / NSIC intend to store and handle an assured quantity of about 500 MTs per month at Baroda stockyard which may actually be higher. However, the same cannot be made a mandatory condition of the contract. This assured quantity shall be for VL and BALCO products jointly and not individually.

2.2 The contractor should have necessary experience, expertise, ability, infrastructure and personnel including tie-ups with other service providers to render the services. He / It should have necessary approval, registration and licenses required for rendering the Services ;

2. Term of the contract:

The term of the contract shall be for the period of two years or for a lesser term corresponding to agreement between NSIC and BALCO / VL among them and can be terminated as per procedure. Provided, however, that the obligations incurred by the respective parties prior to such termination shall survive such termination and shall continue to bind the parties after such termination. The contract may be renewed for such further periods as may be mutually agreed at least one month prior to the expiry of the term of the contract or any extensions thereto. Any such extension shall be in writing signed by both the parties.

4. Storage/Warehousing Facility:

4.1 Contractor shall offer an independent plot / godown having a covered area of about 8000 sq ft. (5000 sq.ft. for VL and 3000 sq.ft. for BALCO) with Separate room /cabins for office space and requisite toilet and incidental facilities for operation of the depot. The depot should be to the satisfaction of the NSIC / BALCO / VL. The depot should have independent and separate gate for loading and unloading of BALCO / VL products separately and capable of having separate excise registration for both BALCO / VL.

4.2 Any time during the pendency of the contract, on 30 days intimation, NSIC shall be entitled to surrender/move out from any of the depots/warehouse and may call upon contractor for finalising another depot/warehouse at any other location at Baroda. Contractor shall within 10 days intimate and offer the depot/warehouse to NSIC and upon confirmation by NSIC within 10 days thereafter shift to another depot/warehouse on the same terms and conditions set out herein. The cost incidental to the shifting of such operation shall be borne by contractor.

contd...P-4

4.3 The depots/warehouses offered by contractor shall be the ones owned by contractor or acquired/arranged by them by way of lease, license or otherwise for being offered to NSIC. However, with regards to depots/warehouses not owned by contractor, it shall ensure that NSIC shall get continuous and uninterrupted use of the said depot/warehouse during and under the terms of the contract.

4.4 The depot/warehouse shall be of concrete structure and with adequate office space for NSIC / BALCO / VL representatives to keep their records and documents.

4.5 The depot/warehouse shall contain weighing scales of 3 MT capacity and along-with adequate number of fork lift / hydra for operational facility of minimum 3 MT capacities as handling arrangement.

4.6 Contractor shall ensure adequate security of the depot/warehouse in which the material is stored for safe keeping of the goods and NSIC / BALCO / VL shall obtain full insurance coverage against burglary, theft natural calamity and civil commotion etc and provide copy of such policy to contractor.

4.7 Contractor shall give facilities to the representative of NSIC/ BALCO / VL for checking of stocks, stocking arrangements or to conduct surprise stock verification etc. at any time without any prior intimation.

4.8 Contractor shall provide additional labour through handling arrangement, for stock verification, if necessary, and adequate weighing facilities also.

4.9 Contractor shall ensure a six-day working at the depots / warehouses with a provision for Sunday working (if required) without any extra cost. Normal working hours shall be 9.00 a.m. to 6.00 p.m. subject to the clearance of goods received and DO issued up to 4.00 p.m. on any day.

4.10 Computers including software, printers, UPS of appropriate capacity and VSAT/SAP package shall be provided by BALCO / VL / NSIC and the contractor will facilitate their installation like earthing, lightings and platform etc. Operational expenses shall be borne by BALCO / VL / NSIC.

4.11 Independent Telephone facilities with fax & e-mail as also electricity for light and operation are to be provided by contractor and he shall bear the charges.

5. Handling Facility: -

5.1 Contractor shall provide handling facility for all the goods of BALCO / VL / NSIC which would include unloading from trucks/containers, stacking in depots/ warehouses and restacking at the time of the loading into trucks/containers. Weighment at the time of receipt of consignment & dispatch will be done for cross checking of stocks and authenticity of received/delivered consignments. Weighing of arrivals shall be done by BALCO / VL / NSIC / transporters at its cost.

5.2 That BALCO / VL / NSIC shall dispatch material from their Works / other Stock Points/ports to the contractor depot/warehouse. Contractor will unload the said material on receipt and take into stock. If the incoming material is +/- 0.5% of the Invoice weight, a necessary receipt on unloading shall be duly issued. On receiving the goods, contractor will ensure that the consignment is in order with all the relevant documents and the weight received is in conformity with the description given on the Invoice and G.R.

However, in case the shortage exceeds 0.5%(+/-), or +/- 50 kgs, of the total weight of consignment which is a truck load normally, contractor will immediately inform the designated office of BALCO / VL / NSIC by e-mail or telephone or fax for spot verification by BALCO / VL / NSIC representative and meanwhile segregate the consignment for checking by latter. The findings of the BALCO / VL / NSIC representative will be binding on both the parties. In the event of any shortage of goods lower than the agreed 0.5% in terms of weight or short /excess number of Ingots as per the Invoice or LR, contractor will issue a short delivery certificate, to the transporter. However, if the Transporter refuses to accept such a certificate, contractor will immediately inform the designated office of BALCO / VL / NSIC of the same. Similar exercise needs to be done by contractor in case of transporter not submitting original papers/documents of the consignment

5.3 Contractor agrees to deliver the material only against delivery order issued by BALCO / VL / NSIC. Contractor will simultaneously prepare Invoice and other relevant documents, showing the full details of the material actually delivered and obtain customers' signature thereon to the effect that they have received the material fully and correctly.

5.4 That contractor shall take all steps for proper custody of the goods from the time of unloading till its disposal and any loss or shortage shall be borne by contractor. All expenses, if any, of loading and unloading by mechanical means i.e. by forklift as also for manual loading and unloading, charges shall be borne by contractor. However, if any Octroi or such other similar charges shall be raised under any local laws prior to its unloading at the agreed Depots/Warehousing, the same shall be borne by the BALCO / VL / NSIC.
