The details are summarized below:-

a)	Name of the Project:	Supply, Installation, Testing/ Calibration, & Commissioning at site of Material Testing Machines and Measuring equipment's with required specifications as mentioned in Annexure-A
b)	Technical Bid	The details for submission of Technical Bid is placed at Annexure-A
c)	Commercial Bid	The details for submission of Commercial Bid is placed at Annexure-B
d)	Cost of Tender Documents	The tender document can be collected from the office of General Manager of the centre as addressed on first page, w.e.f. 19th October, 2016 to 09th November, 2016 (except Saturday & Sunday) between 10:30 hours to 16:30 hours against payment of Rs. 500/- (Rupees Five Hundred only) (Non refundable) by way of cash/ demand draft, in favour of ' NSIC Ltd.-NTSC A/c ' payable at New Delhi. Alternatively tender form can be downloaded from our website www.nsic.co.in from 19th October, 2016 to 09th November, 2016 . The tender fee of Rs. 500/- in form of demand draft in favour of ' NSIC Ltd.-NTSC A/c ' payable at New Delhi shall be enclosed with Technical Bid of the tender while submitting the tender by Tenderers.
e)	Earnest Money Deposit (EMD) along with Tender	The EMD as prescribed in Annexure-A shall be submitted in the form of D.D. in favour of ' NSIC Ltd.-NTSC A/c ' payable at New Delhi along-with the Technical Bid envelope while submitting the tender. The Tenderer can participate for any one and/ or all Machines and/ or Measuring Equipment's. The evaluation of tender shall be made on individual machine/ measuring equipment basis. The details of EMD payable against individual machine/ measuring equipment is placed at Annexure - "A" .

f)	Last date of submission of tender	The complete and duly filled in tender in a sealed bigger envelope super-scribed as "Tender for the purchase of Material Testing Machines and Measuring Equipments" with tender inquiry no. - OK/TESTING/34/02 & its due date, shall be received by 09th November, 2016 up to 13:00 hours (sharp) at the office of General Manager, NSIC-Technical Services Centre, Okhla Industrial Estate, New Delhi
g)	Date of opening of Technical Bid (Envelope-1)	The first envelope containing Technical Bid will be opened on 09th November, 2016 at 15:00 hours , at the office of General Manager, NSIC-Technical Services Centre, Okhla Industrial Estate, New Delhi.
h)	Date of opening of Commercial Bid (Envelope-2)	The date for opening second envelope containing Commercial Bid will be intimated to the qualified bidders separately.

Note: In case of any further details required, the same can be collected from the office of General Manager, NSIC-Technical Services Centre, Okhla Industrial Estate, New Delhi from **19th October, 2016 to 09th November, 2016** (except Saturday & Sunday) between 10:30 hours to 16:30 hours.

General Manager
NSIC- Technical Services Centre
New Delhi

NSIC-Technical Services Centre
Okhla Industrial Estate, New Delhi

INSTRUCTIONS TO THE TENDERERS

The Tender shall be submitted in accordance with these instructions and any tender not confirming the instructions as under is liable to be rejected. These instructions shall form the part of the tender and contract.

1. The intending Tenderer, in case of Prime Equipment manufacturers shall submit **a self declaration on their letter-head**, along with the Technical Bid, confirming that they are regular in manufacturing & supplying the similar machines, from last Five (5) years.
2. The intending Tenderer, in case of Authorized Distributor / Dealer shall possess **valid authorized Distributorship / Dealership license from Prime Equipment manufacturers**. The tenderer shall enclose the copy of the same in Technical bid while submitting the tender.
3. The Tenderer can participate for any one and/ or all Machines and/ or Measuring Equipment's. It shall be noted that evaluation of individual machine and/ or measuring equipment shall be made for the received tender and not for all the machines and/ or measuring equipment's collectively. The EMD shall be deposited to the amount reflected against individual machine/ measuring equipment as detailed at **Annexure – "A"**

The EMD shall be submitted in the first envelop super-scribed as "Technical Bid", of prescribed amount by way Demand Draft drawn in favour of "NSIC Ltd.- NTSC A/c", only for the Machine(s) and/ or Measuring Equipment(s) quoted by the Tenderer. No cash towards EMD shall be accepted. The offers without EMD will be rejected.

4. The person **signing** the tender form or any other documents forming part of the contract on behalf of the Tenderer shall be deemed to warranty that he has **authority to bind the Tenderer**. If subsequently comes to light that the person so signed had no authority to do so, the General Manager, NSIC - Technical Services Center (NTSC) may without prejudice to any other civil & criminal remedies cancel the tender and hold the Tenderer liable for all costs, charges and damages.
5. The tender must be placed in a properly sealed bigger envelope addressed to General Manager, NSIC-Technical Services Centre, Okhla Industrial Estate, Phase III, New Delhi and the said **bigger envelope shall contain two sealed envelopes containing Technical & Commercial bids**.
6. The bigger envelope must be super-scribed "*Tender for the purchase of Material Testing Machines and/ or Measuring Equipment's*" with tender inquiry number and its due date. The two sealed envelopes inside the bigger envelope must be super-scribed as:

Envelope No-1: The said envelope is for technical bid & shall be super-scribed as "Tender for the Supply, Installation, Testing/Calibration, Commissioning of Material Testing Machines and/ or Measuring Equipment's- Technical Bid"

Envelope No-2: The said envelope is for commercial bid & shall be super scribed as "Tender for the Supply, Installation, Testing/Calibration,

Commissioning of Material Testing Machines and Measuring Equipment's – Commercial Bid".

7. The tender should reach the office of General Manager, NSIC-Technical Services Centre, Okhla Industrial Estate, New Delhi by 09th November, 2016 up to 13:00 hours.
8. The technical bid of tenders will be opened at NTSC-Okhla on 09th November, 2016 at 15:00 Hours. The Tenderer or their authorized representative (One person only) may be present at the time of opening of the tender.
9. Tender inquiry documents, if downloaded from website, Rs. 500/- as cost of tender shall be submitted by way of D.D. drawn in favour of 'NSIC Ltd.-NTSC A/c' along with the tender. D.D. shall be enclosed with the Technical Bid.
10. The material shall be in compliance to the specifications mentioned in Annexure- A of the tender and shall be of the latest technology, best quality and high standards. The specifications of the machine as mentioned in the Annexure- A are the minimum requirement.
11. All the columns of the tender shall be duly, properly and exhaustively filled in. Any cutting/over writing etc. in the tender must be signed by the person who is signing the tender. The rates and units shall not be overwritten. **The financial part in commercial bid shall always be both in figures and words. In case of any discrepancy, amount mentioned in words will be considered as final.**
12. A pre-dispatch inspection by 3rd party/ technical team of NTSC may be carried out at supplier's site. This pre-dispatch inspection will not absolve manufacturer's responsibility towards quality of equipment.
13. No extra payment shall be paid on account of any discrepancy in nomenclature of items. The Tenderer shall seek clarifications if any before submitting the tender.
14. While submitting the tender, if any of the prescribed conditions are not fulfilled or are incomplete in any form, the tender is liable to be rejected. If any Tenderer stipulates any condition of his own, such conditional tender is liable to be rejected.
15. General Manager, NSIC-Technical Services Centre reserves the right to reject any tender/ bid wholly or partly without assigning any reason and to restrict the list of qualified Tenderer for opening of commercial bid to any number deemed suitable by him from out of bids received
16. NSIC-Technical Services Centre (NTSC) have right to verify the particulars furnished by the bidder independently.
17. The Tenderer shall be agreed that the rates submitted shall remain valid for acceptance for a period of 90 days from the date of opening of Technical Bid of tender.
18. Tenderer shall take into account all costs including loading, cartage etc. for giving delivery of material at site i.e. NSIC-Technical Services centre, Okhla Industrial Estate, New Delhi before quoting the rates. In this regard no claim what so ever shall be entertained.

19. The material shall be inspected on receipt at site and, the machines which are required to be installed shall be calibrated at site after complete installation i.e. NSIC Technical Services Centre, Okhla Industrial Estate, New Delhi and supplier shall be responsible for any damage during the transit of machine/equipment. No extra cost will be paid for onsite calibration of machines.
20. All the communication with respect to the tender shall be addressed to:
**General Manager,
NSIC- Technical Services Centre,
Okhla Industrial Estate,
New Delhi-110020**
21. In the event of any dispute the legal matter shall be subjected to the jurisdiction of Delhi Court only.

We confirm with our acceptance to the instructions (S.No-1 to 21 above) as given above.

TENDERER'S NAME & SIGNATURE WITH SEAL

NSIC-Technical Services Centre
Okhla Industrial Estate, New Delhi

COMMERCIAL AND GENERAL TERMS & CONDITIONS

Nature of Machine/ equipment:

For Supply, Installation, Testing & Commissioning of Material Testing Machines and Measuring Equipment's with specifications mentioned in **Annexure –A**

1. Scope of Supply:

- a) The tenders shall be submitted as per the technical specifications enclosed in Annexure-A.
- b) Sealed tenders in the two cover system should be submitted in the prescribed form and should be addressed to the General Manager, NSIC-Technical Services Centre, Okhla Industrial Estate, Phase III, New Delhi. The envelope should be super-scribed as "*Tender for the purchase of Material Testing Machines and Measuring Equipment's*" with inquiry no. and its due date. In the said envelope, the two separate sealed envelopes shall be placed in which one envelope shall have "Technical Bid and second envelope shall have "Commercial Bid". The authorized person of the Tenderer should sign the tender documents.
- c) The Tenderer are free to inspect the installation location in the premises of NSIC-Technical Services Centre, Okhla Industrial Estate, New Delhi before submitting the quotes.

2. Submission of tender:

- a) The tender received within the stipulated date and time will be opened at the office of General Manager, NSIC-Technical Services Centre, Okhla Industrial Estate, New Delhi, in the presence of available tenders, on the date and time mentioned in the Notice Inviting Tender.
- b) Tenders received in open covers/ letters/ fax/ telegram/ email will not be considered.
- c) The tenders received after the stipulated date and time or tender received with conditions will not be accepted. Tenders not submitted in the prescribed form will be rejected. Tenders which propose any alternations in the conditions specified will be rejected.

3. Opening of Commercial Bid:

The Commercial Bid of only technically qualified tenderers will be opened in presence of tenderer's authorized representative on the stipulated due date. The date & time for opening of Commercial Bid shall be intimated to the selected tenderers after opening & evaluation of Technical Bid.

4. Validity of tender:

- a) The tender shall be valid for a period of 90 days from the date of opening of the Technical Bid of tender. If any Tenderer withdraws his tender before the said period or makes any modifications in the terms and the conditions of the tender which are not acceptable to the NTSC, then the NTSC shall, without prejudice to any other rights or remedy, be at liberty to forfeit the EMD. The rates quoted in the tenders shall be treated as firm during this period of contract.

- b) Should the Tenderer for any reason whatever, withdraws the tender after it is accepted or become unable or fails to execute the orders within stipulated delivery period as declared in Technical Bid Annexure A para 8, NTSC shall be at liberty to cancel the order forthwith and the EMD of the tender in such a case will be forfeited by the NTSC.
- c) No representation for the enhancement of the prices of the accepted tender or alteration of the terms and conditions will be entertained till supplies are completed.

5. Offers ready stock/ Subject to prior sale:

- a) Offers from ready stock are preferred. In case the offers are subject to prior orders, the Tenderer shall indicate the period within which the ordered quantity will be supplied. The Tenderer shall note that in case tenderer fails to supply within the period of delivery indicated by the tenderer in **Annexure A**, penalty @ 5% of value of the order per week of delay subject to maximum 3 weeks. It means, the tenderer shall have the liability of delayed supply to the maximum of 3 weeks after expiry of supply condition. After that the supply order shall be cancelled and EMD will be forfeited and tenderer will be debarred from participation in any future tender of NSIC.
- b) The successful Tenderer shall, within a week from the date of receipt of communication of acceptance of quotes from NTSC shall intimate his acceptance of the order. The successful Tenderer shall complete supplies strictly as per the accepted delivery period.

6. Warranty of machine/ equipment supplied :

- a) The machine/equipment offered shall confirm to the specifications as given in tender/order and shall have the warranty, shall be specify in Technical Bid, against defective design, defective quality material supplied, manufacturing defects etc., applicable from the date of Installation of Material Testing Machines and Measuring Equipment's. The warranty of machine/ equipment would certainly be taken into consideration.
- b) The warranty of machine/ equipment would be minimum 02 (Two) years.
- c) Any part or parts fail or proved defective within the warranty period specified above, owing to defect in design, material or workmanship, the company will have to replace them at the place of installation free of all the charges.
- d) During the warranty period, expert(s) shall be deputed at site by the Company, whenever found essential to rectify and fixing the defects of machines at NSIC Technical Services Centre, Okhla Industrial Estate, New Delhi-110020.
- e) The cost of deputation of expert(s) and any other associated expenditure shall be borne by the Company.

7. Packing :

- a) The supplier shall provide packing of the machine/ equipment, as is required to prevent their damages or deterioration during the transit to their final destination to the address of delivery i.e. NSIC-Technical Services Centre (NTSC), Okhla Industrial Estate, New Delhi. The packing shall be sufficient to withstand, without limitation, rough handling during transit.

- b) The machine & equipment shall be securely boxed, crated and protected from mechanical damage, moisture etc. suitable for both storage and transit according to the nature of the material and mode of transport.
- c) In case the consignment received with damaged packaging, the delivery shall not be taken.
- d) The supplier shall be responsible for any loss/ damage to material during transportation to our office from your company because of mode of transportation or defective packaging and/ or wrong making of goods.
- e) The package delivered under our order shall at the expense of the supplier be distinctly marked with description and quantity or contents with the consignee name, address and supply-order with the distinctive number and mark, which is also to be shown for the purpose of identification.

8. Price:

- a) The price shall be firm and shall include all applicable taxes. Any variation in the taxes duties, levies etc. till the complete delivery of machines to the address of delivery i.e. NSIC-Technical Services Centre (NTSC), Okhla Industrial Estate, New Delhi shall be to the Tenderer account.
- b) The Tenderers shall submit the copy of PAN Number, VAT/CST/TIN Number registration details along with the Technical Bid of the tender document.

9. Delivery:

- a) The successful tenderer shall complete supplies strictly within 60 days. Material ordered by the NTSC shall be delivered FOR destination securely packed as may be necessary.
- b) The Machine & Equipment shall have to be delivered at and installed at NSIC-Technical Services Centre, Okhla Industrial Estate, Phase III, New Delhi and to be operationalized to the satisfaction of the Chief Manager (Material Testing Laboratory) of NTSC.
- c) The machine(s) and/or measuring equipment(s) shall be supplied with duly Calibrated. Care should be taken for delivered machine(s), which are required to installation at site, the **Calibration of the assembled/ adjusted machine(s) and/ or equipment(s) shall be carried out at our site** after satisfactory installation and commissioning of machine and/or equipment. The calibration of machine(s) and/ or measuring equipment(s) shall be as per **NABL criteria duly bearing the NABL logo** on each calibration certificate(s).
- d) Installation & Commissioning of Material Testing Machine and/ or Measuring Equipment shall have to be carried out free of charge at NSIC-Technical Services Centre, Okhla Industrial Estate, New Delhi.
- e) The comprehensive training which includes Operations, Maintenance, Trouble shooting & all other areas which are necessary for smooth functioning of machine, shall be provided to at least two persons at site i.e. NSIC Technical Services Centre by Tenderer.
- f) Part delivery shall not be permitted.
- g) The Manual related to Operation, Maintenance, Safety measures including Do's and Don'ts instructions shall be submitted to our office along with the supply of Machine/ Equipment.

10. Payment:

- a) The 70% payment of total bill will be made by the Corporation by crossed account payee cheque for which the tenderer shall send bills in duplicate (original + copy) after supply of machine, giving the reference number of the purchase order along with copies of delivery note.
- b) The 20% payment of total will be released to supplier after one month of successful installation, commissioning & testing and/ or calibration of machines and/ or equipment's at our site; and on submission of indemnity bond for the guaranty or warranty (or both) period. The tenderer shall submit the documents which shall clearly indicate that the Proper Installation, Commissioning & successful Testing and/ or Calibration of Machine(s) & Equipment(s) are done and the said document shall be duly acknowledged by the Chief Manager (Material Testing Laboratory) of NTSC.
- c) The remaining 10% payment will be retained as performance security deposit, will be released without interest on completion of warranty period of machine, if warranty would be taken care satisfactorily during the warranty period. The 10% payment will be forfeited, if the machine would not be serviced/ repaired/ replaced satisfactory during the warranty period.

11. Earnest Money Deposit :

- a) An EMD shall be paid along with the tender (in Technical Bid) either by way of DD drawn in favour of '**NSIC Ltd.-NTSC A/c**' payable at Delhi. Tender is liable to be rejected in case EMD at prescribed rate is not furnished along with the tender. NSIC Technical Services Centre shall not be liable for payment of any interest on EMD.
- b) Any request by the bidders to consider their EMD furnished by them to NTSC for any other contract/ tender cannot be considered as EMD for this tender.
- c) The EMD will be returned to the unsuccessful bidders soon after the orders are placed on the successful bidder. In case of successful bidder, the EMD will be returned one month of successful commissioning of the machines and/ or equipment's.
- d) The EMD will be forfeited in following cases:
 - I. If the bidder fails to accept the order based on his offer (bid) and within the prescribed time.
 - II. If the bidder fails to supply the Material Testing Machines and Measuring Equipment's with specifications in compliance to as mentioned in Annexure -A
 - III. If the bidder delays supplies beyond a reasonable time resulting in disruption of NTSC works
- e) In case tender documents downloaded from website, Tender Fee of Rs. 500/- shall be submitted by way of cash / D.D. drawn in favour of '**NSIC-Ltd.- NTSC A/c**' along with the Technical Bid of the tender documents.
- f) Exemption from payment of EMD and tender Fee will be applicable for the tenderer having valid registration under Single Point Registration Scheme of NSIC and all micro and small enterprises registered under Director of Industries from DIC.

12. Service Facility:

Tenderer shall have the facility to provide after sales service within a 7 days on written request. Corporation will consider the agency having the after sales-service office at Delhi NCR.

13. Claims:

- a) If the material supplied are found to be off size and shape different than those in the accepted offer and are of specifications lower than those stipulated in the accepted offer, NTSC shall have right to totally reject the machine/ equipment and/or to prefer a claim for compensation for the part of machine/ equipment, which are rejected. The supplier shall reimburse to NTSC, the actual expenditure incurred, on such machine/ equipment, within 15 (fifteen) days of its demand.
- b) The supplier shall be responsible for arranging the rejected machine/ equipment to be removed at his cost from NTSC premises.
- c) The supplier shall also compensate for losses, if any, sustained by NTSC due to defective packing and/or wrong marking of the machine/ equipment.

14. Arbitration:

All disputes or differences whatever arising between the supplier and NTSC, Okhla shall be settled by the sole arbitrator appointed by NTSC, Okhla. No objection shall be raised on the ground that the arbitrator so appointed is an employee of NSIC or is one of the parties to the tender himself or that the persons so appointed had to deal with the matter to which the tender relates in his official capacity.

We confirm with our acceptance to the Commercial & General Terms & Conditions (S.No-1 to 14) as given above.

ANNEXURE-A

NSIC-Technical Services Centre
Okhla Industrial Estate, New Delhi

FORMAT & REQUIREMENTS FOR SUBMITTING TECHNICAL BID

1. Tender Ref. No:
2. Name of Tenderer:
3. Complete office address of Tenderer.....
4. Contact details of authorized person of tenderer who have signed the tender.
 - a. Name.....
 - b. Designation.....
 - c. Phone (office).....
 - d. Phone (Mobile).....
 - e. E mail.....
5. Tender fee (*if tender document uploaded from website*)
6. PAN Number of supplier (copy to be enclosed).....
7. VAT/ CST/ TIN registration number of supplier (copy to be enclosed).....
8. Delivery period after receipt of order from NTSC____ Days (number of days)
9. Documents - Details to be enclosed with the Technical bid are as under:
 - a. The Tenderer shall give **a self declaration on their letter-head**, confirming that they are regular in manufacturing & supplying the similar machines, accessories and tools from last 05 years, as mentioned in the tender no. OK/TESTING/34/02 and has capacity & capability to execute the tender independently, in compliance to the terms & conditions contained in Tender documents.

OR

In case the indenting tenderer is authorized Distributor / Dealer, they shall have to possess valid authorized Distributorship / Dealership license from manufacturers for supplying the similar machines, accessories and tools from last 05 years. **The copy of the same shall be enclosed along with the technical bid of tender.**

- b. Details of buyers to whom the similar supplies completed during the last five years i.e. Supply, Installation, Testing & Commissioning of Material Testing Machines and Measuring Equipment's. The detail shall be submitted as per the format placed under:

S. No.	Year	Name of machine and its details	Scope of work	Name/ Address / Telephone number of officer to whom reference, if required, may be made	Value (Rs.)

- c. Complete Address with Telephone numbers and email address of after-sales service centers and Support Centers as far as possible near to Okhla area in New Delhi shall be provided.
- d. The Tenderer shall clearly confirm that the tender shall remain valid for acceptance for 90 days from the date of opening the Technical Bid of the tender i.e. Valid for 90 days from the day i.e. 09th November, 2016.
- e. The Tenderers shall attach the duly signed on each page of these tender documents as detailed under and place along with the Technical Bid;
1. Instructions to Tenderers,
 2. Commercial & General terms and conditions,
 3. Undertaking from tenderer,
 4. Declaration by Tenderers,
 5. Technical detail Specifications of the Machine(s) and/ or Equipment(s) to be supplied, supported with the technical documents of same.
- f. The Tenderers shall submit all supporting information with respect to the technical data, drawings or booklets of product. Any product brief, test certificates available may be enclosed.
- g. No price of any Machine/ Equipment/ Spares/ Accessories shall be given in Technical Bid.
- h. The Tenderers shall furnish complete Technical details of machine /equipment /material along with applicable mandatory accessories and tools in detail (use separate sheet to elaborate the details of technical specifications such as Measuring Range/ Size, Least Count/ Resolution, Accuracy, Materials used, Accessories, Tools, Spares etc.) which they are intending to supply through this tender.

i. The tenderer shall fill format as placed under for the intended supply the machines:

S. No.	Machine/ Equipment	Specifications	Quantity required	EMD of individual (Rs.)	Comply to Specification and ready to supply required Quantity (write YES/ NO only)	Machine name and model number (attach the technical literature of machine to be supplied)	Warranty Offered (in year)	EMD of individual (Rs.) <i>Fill for the machine to be supplied</i>
1	Digital and Modified Marshal Stability test Apparatus (100 kN)	<ul style="list-style-type: none"> • The digital cum modified marshal testing apparatus shall comply with ASTM D 5581:2007, ASTM D 1559, ASTM D 6927-06, BS598-107 and EN 12697-34. • The test apparatus shall have a load frame of 100 KN capacity, single speed, robust design for carrying out digital and modified marshal stability test for 4" and 6" dia samples • The test apparatus shall have a digital indicator for digital display of test results. • The Platen movement in the load frame shall be easy and user friendly and controlled from the front panel by 3 push buttons switches for Up, Down and Stop. • The load frame shall have maximum vertical clearance of 470 mm and maximum horizontal clearance of 270 mm with platen diameter not more than 150 mm. • The testing system shall be supplied with Breaking Head Stability mould, Compaction Steel Mould with Base Plate and Extension Collar, Compaction Hammer and Compaction Pedestal 	1 No	5000/-				

2	Automatic Compactor for Bitumen Mixes	<ul style="list-style-type: none"> • The equipment shall comply with standard EN 12697-10-30 • The equipment shall be Rugged construction to withstand hard work and Fully automatic and easy to operate for Uniform compaction and with Automatic Blow Counter that enables the number of blows to be preset before each test and automatically stops the machine on completion • The equipment shall have a drive mechanism that lifts the weight of 4.5 kg and drops it through a height of 457 mm. • The equipment shall have a rammer foot which is removable, which facilitates preheating. • The equipment shall be supplied with a compaction pedestal with specimen holder fixed to the base. An automatic blow counter • The equipment shall be suitable for operation on 230 V, 50 Hz, single phase, AC supply 	1 No	2000/-				
3	Ductility testing machine with Temperature Indicator	<ul style="list-style-type: none"> • The testing apparatus shall be in compliance with IS:1208, ASTM to express the ductility of bitumen as the distance in centimeters to which a standard briquette can be elongated before the thread thus formed breaks under specified temperature conditions. • The apparatus shall be capable of testing three specimens simultaneously. • The apparatus shall have electric motor driven reduction gear unit to ensure smooth and constant speed and 	1 No	1000/-				

		<p>continuous operation.</p> <ul style="list-style-type: none"> • The apparatus shall have provision to control temperature by a digital temperature controller with option of both cooling and heating. • The apparatus shall have standard rates of travel viz 5cm/min and 1cm/min. • The apparatus shall be supplied with 3 nos Ductility Briquette Mould. • The apparatus shall be suitable to operate on 220V, 50 HZ, Single Phase AC Supply. 						
4	Cloud and pour Point Apparatus	<ul style="list-style-type: none"> • The Cloud Point apparatus shall comply with Standards - IS:1448 (Part 10), ISO 3015 to evaluate Low temperature properties of oils and Pour Point shall comply with Standards IS:1448 (Part 10) • The equipment shall consist of the following replaceable parts : <ul style="list-style-type: none"> (a) Bath with cover fitted with a Drain Cock. (b) Jacket to receive Test Jar. (c) Graduated Jar fitted with Cork. (d) Insulating Gasket. (e) Insulating Disc 	1 No	1000/-				
5	Universal Penetrometer with Penetration Cone and Bitumen Penetration Kit	<ul style="list-style-type: none"> • The equipment shall comply with IS:1448 (Part 60), IS:1203 • The equipment shall be supplied with a plunger weighing 47.5 g for testing bituminous product, and one each of 50g and 100 g weights, including cone and Penetration Unit. • The equipment shall have in-built timer to control duration of penetration preset in 	1 No	500/-				

		<p>factory to 5 seconds.</p> <ul style="list-style-type: none"> • The equipment shall be supplied with Penetration cone as per IS:1448 (Part 60). • The equipment shall be supplied with Bitumen Penetration Kit comprising of Penetration Needle, Transfer Dish made of copper and Aluminum Sample Container-Set of two 						
6	Redwood Viscometer	<ul style="list-style-type: none"> • The equipment shall be as per Standard - IP 70 for determining the viscosity of all oils, expressed in Redwood seconds at the temperatures of test as called for by IP 70. • The equipment shall consists of a heavily silver plated brass oil cup with a precision stainless steel jet assembled in a chromium plated bath fitted with a heating tube or heating element and drain cock. • The equipment shall be supplied complete with silver plated ball valve, spirit level with cover, thermometer clip and receiver of capacity 50ml. • Redwood no 1 and Redwood no 2 both need to be supplier for all oils with viscosity less than and more than 2,000 sec as per IP 70 having Electrical Heating, complete with dimmer state. 	1 No	1000/-				

7	Saybolt Viscometer	<ul style="list-style-type: none"> • The equipment shall comply with ASTM D88, D 244 for empirical measurement of Saybolt Viscosity of petroleum products at specified temperatures between 70°F and 210 °F. • The equipment shall consist of one each of Cylindrical Oil Cup, Universal Tip, Furol Tip, Bath fitted with immersion heater mounted on a stand, Dimmerstat for temperature control, Stirrer with shield. • The equipment shall be supplied with insulated handle and thermometer support, receiving flask, withdrawal tube, filter funnel, thermometer support for cup and circular spirit level. • The equipment shall be Suitable for operation on 220 V, 50 Hz, Single Phase, AC Supply 	1 No	1000/-				
8	Standard Viscometer TAR	<ul style="list-style-type: none"> • The equipment shall comply with Standards - IS:1206 (Part -I) for determining the viscosity of cut back bitumen and road oil. • The equipment shall consists of a chrome plated copper bath, with a drain valve and a central tube to receive the test cup and to position the stirrer, and is mounted on a stand with levelling feet. • Receiver of internal diameter not more than 29 mm, capacity 100 ml graduations at 20 ml, 25 ml and 75 ml. • The equipment shall be supplied with 10 mm cup, the diameter of orifice shall be 10.000 ± 0.025 mm, length of the jet shall be 5.000 ± 0.025 mm and ball valve. 	1 No	1000/-				

		<ul style="list-style-type: none"> The equipment shall be supplied with 4 mm cup, the diameter of orifice shall be 4.000 ± 0.025 mm, length of the jet shall be 5.000 ± 0.025 mm and ball valve Glass thermometer mercury filled graduated with 0.2°C capable to read from 0°C to 125°C. 						
9	Ring and Ball Apparatus	<ul style="list-style-type: none"> The apparatus shall comply to IS 1205 The equipment shall be supplied with magnetic stirrer with heating facility and digital display of temperature, the heating can be adjusted through knob. The equipment shall be supplied with <ul style="list-style-type: none"> ✓ Steel Balls 02 Nos; each of 9.5 mm diameter and weighing 3.5 ± 0.05 g ✓ Tapered Brass Rings 02 Nos of following dimensions: <ul style="list-style-type: none"> Depth 6.4 ± 0.1 mm Inside diameter at bottom 15.9 ± 0.1 mm Inside diameter at top 17.5 ± 0.1 mm Outside diameter 20.6 ± 0.1 mm The outside diameter of the ring at the bottom may be smaller, but shall not less than 19.0 mm ✓ Ball Centering Guide 2 Nos Ring holder 1 No 	1 No	1000/-				
10	Double Water Distillation Plant	<ul style="list-style-type: none"> Double distillation with quartz heater with safety cut-off device 	1 No.	5000/-				

		• Output: 5 ltr/ hr						
11	Coating Thickness Meter with Accessories, Tools and Spares	<ul style="list-style-type: none"> • Range: 0 – 1000 µm • Accuracy: ±3% • Resolution: 1 µm • Applicable for Flat or Curved, Smooth or thin ferrous or non-ferrous metals 	1 No.	5000/-				
		From 1 to 11	Total EMD (Rs.)					
		EMD of Rs. _____ by DD No. _____ Dated _____ drawn on scheduled/ nationalized bank _____ in favour of ' NSIC Ltd.-NTSC A/c ' payable at New Delhi.						

Note:

- (1) All above machines should be provided with safety features/ curtains etc. wherever applicable.
- (2) All consumables, electrical, electronic units should be certified that the product conforms to national/ international standard(s).
- (3) The Tenderer can participate for any one and/ or all Machines and/ or Measuring Equipment's. It shall be noted that evaluation of individual machine and/ or measuring equipment shall be made for the received tender and not for all the machines and/ or measuring equipment's collectively.

Signature of the Tenderer with stamp

ANNEXURE-B**NSIC-Technical Services Centre**
Okhla Industrial Estate, New Delhi**FORMAT & REQUIREMENTS FOR SUBMITTING COMMERCIAL BID**

1. Tender Ref. No.:
2. Name of the Tenderer:
3. The offer with rates for the schedule of requirements of items, as elaborated under, to be submitted. Adhering to the format given below is a Pre-requisite for considering your quotations:

Item No.	Description of machine/equipment as per Annexure-A	Qty	Unit Price (Rs.)	Taxes/duties/Octrai etc. (Rs.)	Total Unit cost inclusion of all Taxes/Duties (Rs.)	Total cost for the require quantity (Rs.)	Total Cost in Words
A	B	C	D	$E = \sum Eqa \cdot 1. \cdot En$	~~~~~	$G = C \times F$	H
Total:							

4. The Total Cost quoted above should be inclusive of basic price, statutory levies and taxes, duties, packing, forwarding, transportations & insurance etc. up to the site i.e. NSIC-Technical Services Centre, Okhla, New Delhi basis. **The NTSC will not issue 'C' and 'D' forms.**
5. Rates should only be quoted in the accounting units (A/U) mentioned in above format. Rates must be quoted clearly on free delivery basis at NSIC-Technical Services Centre, Okhla, New Delhi
6. Any exemption of duties/taxes required should be indicated. Also the special prices or discounts applicable to Government Undertaking or Educational Institute may be specified.

We hereby confirm that we have clearly understood the terms & conditions as specified in the tender documents and agreed for the payment terms as specified in Para 10 of "Commercial and General Terms & Conditions" of this tender.

Further confirm that we will abide all the terms & conditions as specified in the tender and agreed for the penalty to be imposed, in case of delayed supplies from our end as specified in Para 5 of "Commercial and General Terms & Conditions" of this tender.

Signature of the Tenderer with stamp

DOCUMENT CHECK LIST

(To be submitted with Technical Bid)

1. Instructions to Tenderers
2. Commercial & General terms and conditions
3. Undertaking from tenderer
4. Declaration by Tenderers/ Valid authorized distribution ship/ dealership license
5. Details of buyers during last five years
6. Complete address with telephone number and email address of after sales service centre and support centre on letter head
7. Technical Literature of machine(s) to be supplied.
8. EMD or NSIC registration certificate, MSE Registration Certificate.
9. Tender fee or NSIC registration certificate, MSE registration certificate.
10. TIN registration self-attested copy
11. Self-attested copy of PAN
