Dear Sir,

1. Quotations are invited for supply of the stores mentioned below in the attached schedule. If you are not in a position to quote for the stores strictly to our specifications, you may quote for the nearest size/quality in which case the quotation will be considered only if we are unable to procure the material from elsewhere, we can accept the material offered by you on the basis of merit.
2. The quotation should be sent in a Sealed Envelop indicating on the envelop our enquiry No. & its due date. The quotation should reach the G.M. on or before due date. Quotations received after expiry of due date will not be considered.
3. The quotation should clearly and separately indicate (a)Price ex-godown (b)Sales tax and other charges (c)Packing charges, if any (d)Forwarding charges, if any (e)Transportation charges, if any (f)Delivery period (g)Make/Trade Mark. Incomplete quotations will not be considered. Your quotations should preferably be delivered at F.O.R. Destination/Ex-our Works basis.
4. Pictorial catalogues and or detailed literature concerning the stores if available may also be sent for reference.
5. If you are on Rate Contract for these stores with D.G.S.&D. you should quote to us prices approved by D.G.S.&D. If not, special prices or discount applicable to Government Undertaking may be specified.
6. Quotations should be valid for a period of THREE MONTHS.
7. The G.M. reserves the right to accept or reject any or all quotations without assigning any reason.
8. The last date of quotation against this Enquiry is **13.04.2009**.

**NOTE:** Preference will be given to Ex-Stock Offers.

List as enclosed

Yours faithfully,

(CHIEF MANAGER (PURCHASE))

**Indent No.: S-027/2008-09**

**LIST OF MIG WELDING MACHINE WITH ACCESSORIES**

S. NO.	DESCRIPTION	QTY.
1	MIG Welding Machine (rectifier) 330 amp with spiral flow machine (complete set)	1
2	MIG Welding Torch	1
3	REGULATOR	1
4	Flow meter	1
5	CO2 Gas Cylinder (filled)	1
6	Hose pipe for cylinder	10 mtr.
7	Spiral roll for MIG Welding (copper coated) 1.2, 1.8 mm	2 each

**Indent No.: S-028/2008-09**

**LIST OF TIG WELDING MACHINE WITH ACCESSORIES**

S/No.	Description	Qty
1	TIG Welding Machine (Rectifier) 300 amp	1
2	TIG Welding torch with ceramic Nozzle (complete set )	1
3	Regulator	1
4	Flow meter	1
5	Argon Gas Cylinder (filled)	1
6	Hose pipe for cylinder	10 mtr.
7	TIG Welding Tungston Electrode 1.6, 2.0, 2.4 mm	6 each

**Indent No: S-029/2008-09**

**LIST OF WELDING EQUIPMENTS, SPARES AND CONSUMABLES**

S No.	DESCRIPTION	QTY.
1	Tungston electrode for TIG Welding 1.6, 2.0, 2.4 mm	4 each
2	Ceramic nozzle cup for TIG electrode 1.6, 2.0, 2.4 mm	6 each
3	Hose pipe clamps ¾"	12
4	Spiral roll for MIG Welding (copper coated) 1.2, 1.8 mm	1 each
5	Welding screen	4
6	Welding Helmet	4
7	Chipping hammer	4
8	Wire brush	4
9	Colour welding glass	6
10	White glass for screen	3 pkt.
11	M. S. Welding electrode 12, 10, 8 SWG	5 pkt. each
12	M.S. Sheet 3' X 6' X18 SWG	3
13	Brass filler rod for Brazing 1/6", 1/8"	2 kg. each
14	M.S. Filler rod (copper coated) for TIG Welding 1/6", 1/8"	2 kg. each
15	Rubber bonded cutting wheel 150 X 1.5 X31.75	24
16	Copper sheet for TIG Welding 4'X4'X16 SWG	2
