

Corporate Social Responsibility –
“Commitment for building a better tomorrow
for our communities”

1.0 A brief outline of the Company’s CSR Policy, including overview of projects or programmes proposed to be undertaken and a reference to the web-link to the CSR Policy and projects or programmes:

The National Small Industries Corporation Limited identifies itself strongly as a responsible corporate citizen and as a step towards this direction has tried to strengthen the quality of life of under-privileged sections of the community and helped them to cope well with the new economic and social conditions.

The Corporation’s CSR Policy has been designed as per requirements of the Companies Act and guidelines issued by the Department of Public Enterprises and in synchronization with the above objective of the Corporation. The diversified CSR applications are spread across the country in the need specific sectors like Education, Health, Disability, Capacity Building and Expansion of Human Capabilities.

The Company’s CSR Policy including CSR initiatives undertaken are available on Corporation’s website at www.nsic.co.in.

2.0 Health Care & Medical Assistance to Specially Abled and Other Weaker Sections of Society:

- NSIC has held several medical camps especially for Specially Abled in Kapurthala, Hoshiarpur, Jalandhar, Gurdaspur, Pathankot, Deoria, Mahabubnagar, Sunderban, North & South 24 Parganas and Medinipore (East & West) and distributed the aids and appliances which included Artificial Limbs, Tri-cycles, Wheel Chairs, Hearing Aids, Crutches, other necessary appliances and 55 Divyang children were provided corrective surgery.
- Provided general health care services to weaker sections of the villages in Ajmer (Rajasthan). This programme focused on awareness building on prevention of common ailments and promotion of hygiene and sanitation, family planning methods and nutrition. 2595 persons from villages have been benefitted through this programme.

- NSIC organized eye camps to help poor students of various schools in Anekal Taluk of Bangalore District where they could not afford eye check-ups and purchase spectacles. 14,558 students from various schools were benefitted. 60 Eye check-up camps were organized and cataract surgery was performed for 498 persons in Palwal District.
- Provided support program for children below poverty line with cancer treatment. The cancer affected children were provided Chemotherapy (Injection and Medicines), Radio Diagnosis, Surgical needs, Prosthetics and Nutritional Support and Educational Aid and Support. They were also provided with the services of Physiotherapist and counsellor.

3.0 Education

- Education is the key to the task of nation building as well as to provide requisite knowledge and skills required for sustained growth of the economy and to ensure overall progress.
- The Corporation provided assistance to the education center in the slum of Dakshin Puri, New Delhi to the primary school going children. The center helped them in doing their homework and improving their skills and understanding of the subjects.
- The Corporation provided vehicle to provide pick-up and drop facility to facilitate education of under privileged children, predominantly of a tribal community, living in villages of District Khorda, Orissa.
- The Corporation set up a modern library with small computer lab for the benefit of under privileged school children and public at backward district of Kolar in Karnataka..

4.0 Safe Drinking Water

- Lack of safe drinking water continues to be a major hurdle and a national problem. Keeping this in view, the Corporation provided safe & pure drinking water by setting up R.O. water plant of 2000 LPH capacity along with Water Automated Teller Vending Machine for the residents of the village Dahurahra in Kushinagar District as the water available in the areas is largely contaminated.
- Installation of 20 Hand Pumps for drawing water in the backward district of Basti in Uttar Pradesh benefiting approximately 1000 people.

5.0 Women Empowerment

- Women face economic and social challenges in the society. Many women in weaker sections try to earn income for their families by undertaking work after acquiring certain skills. In this perspective, under CSR initiative, NSIC provided vocational Training on Dress Designing & Tailoring (Skill Development Training) for 150 women in weaker sections of the society at Mohapa, Kaniyadol, Kokarda, Ubali and Ghorad in the Nagpur District.

6.0 Skill Development & Computer Training Centres for people with disabilities and other weaker sections of community

- In line with the current Government Schemes i.e. "Skill India", "Stand-up India" and "Start-up India", NSIC designed various programmes considering the need of youth with disabilities from weaker sections who can't afford to go to commercial training centres .
- In Jodhpur, vocational training programmes in Computer Applications, Tailoring, English Speaking, Personality development, Music & Handicrafts were held from which 225 visually challenged were benefitted.
- NSIC provided the cost of vocational training in centres in Puducherry, Thanjavur and Tiruchirappalli centre where Computer Skills, English classes, Life Skills, Personality Development & Leadership Training has been imparted to 123 hearing impaired students. Similarly the running cost were provided for already setup Vocational Training-cum-Rehabilitation Centre at Ludhiana in the field of knitting industry from which 133 youth derived the benefit.
- Self-employment Kits were provided to 156 specially abled for livelihood enhancement and 60 specially abled were provided training on tailoring with sewing machines at Ahmedabad.
- The running cost of already set up Computer Training Centre at Delhi & at Hyderabad & Beautician centre at Hyderabad were provided. 615 persons availed of the facilities during the year.

7.0 Environment Sustainability

To create solar-powered and community-based infrastructure of a lasting nature, five Solar High mast street lights were provided in

Kushinagar and Deoria Districts of Uttar Pradesh. This has benefited approximately 2000 people.
