# BUSINESS OPPORTUNITY WITH SOUTH KOREA

NSIC is currently seeking Indian MSME manufacturers specializing in the local production of beauty tools for its South Korean counterpart. These beauty tools encompass a range of products including brushes, spatulas, pouches, mask packs, hair bands, and related accessories, alongside non-cosmetic promotional items like eco bags.

The emphasis is placed on delivering products of high quality while maintaining cost-effectiveness.

MSMEs engaged in the manufacturing of the aforementioned items are kindly requested to expeditiously provide their company details in the specified format (accessible via [Annexure-A, available here](#)), along with their respective product catalogues.

Submissions should be sent to the designated email address: [icdivision@nsic.co.in](mailto:icdivision@nsic.co.in)
