REQUIREMENT OF GALVANIZED PIPES

NSIC has been approached by its counterpart in South Korea regarding the procurement of Galvanized Pipes from a reputable MSME manufacturer of India.

The South Korean counterpart have duly provided comprehensive specifications and quantities required for the Galvanized Pipes ([Click here for specifications and quantity](#)).

The designated delivery locations are Gurugram, Haryana and Lumbini Province, Nepal.

Interested MSMEs specializing in the production of Galvanized Pipes are earnestly requested to submit their particulars in the prescribed format ([Click here for Format- Annexure-A](#)), along with their product catalogs, to the designated email address **icdivision@nsic.co.in** at their earliest convenience, preferably no later than May 3rd, 2024.
