

THE NATIONAL SMALL INDUSTRIES CORPORATION LTD. (NSIC)
(An ISO 9001:2015 certified Government of India Enterprise under the Ministry of MSME)

Indian Delegation visit to Taiwan in October 2024

Focus sector: Automotive components & Automotive Electronics

NSIC in association with Ministry of Micro, Small & Medium Enterprises (MSME), Govt. of India alongwith the Industrial Technology Research Institute (ITRI), Taiwan is planning to organize **visit of Indian Delegation comprising of Government officials and Indian MSMEs of Automotive components & Automotive Electronics sector to Taiwan in the first week of October 2024.**

The Program Agenda for the delegation visit will include the following:

1. **Visit to Energy Taiwan and Net-Zero Taiwan Expo** at Taipei from 02-04 Oct 2024- Covering four main topics: solar energy, wind energy, smart storage, and emerging power. Smart storage section includes Energy Management Systems, Batteries, and Electric Vehicles (charging equipment and power systems, recycling of automobile batteries, etc.)
2. **Industry visits**
3. **B2B meetings**- based on the profiles and interest of Indian companies
4. **3rd India-Taiwan SME Cooperation Forum** with the theme- "Automotive Components and Automotive Electronics", which will include Panel Discussions on cooperation in automotive sector between India and Taiwan, Presentations by industry experts of both sides on industry overview, business opportunities and future prospects etc.

The objective of the program is to facilitate business linkages in terms of Technology transfers, Joint ventures, contract manufacturing tie-up and other business opportunities in "Automotive components" sector amongst MSMEs of India and Taiwan, thus, enhancing their presence in the global market by synergizing their competitive advantages.

Indian MSMEs who are interested to explore business opportunities with Taiwan and would like to be a part of this delegation are requested to submit their details as per "[ANNEXURE-A](#)" latest by **30.04.2024.**

The MSMEs, approved by Ministry of MSME to be part of the delegation, will be allowed reimbursement of economy class airfare and DA @ USD 150 per day for the approved period of the visit, as per International Cooperation scheme guidelines of Ministry of MSME.
