

Taiwan Startup Supporting Programs

We have received a communication from Taipei Economic and Cultural Center (TECC) inviting participation of Indian Startups in Taiwan Startup Supporting Programs:

1. 2024 Soft-Landing Program (For details [click here](#))
2. Access to Taiwan (A2T) Program (For details [click here](#))

The link for online application is provided in the attached PDFs of the above mentioned programs.

Interested Indian Startups may apply online or for more details they may contact the organizers directly as per contact information provided in the attached PDFs.
