

## **CMD's NEW YEAR MESSAGE-2023**

**JANUARY 6, 2023**

**Dear Colleagues,**

I wish you and your families a very happy and prosperous 2023.

With the New Year 2023 and upon taking-over the additional charge of CMD & functional Directors, I extend New Year Greetings to you and your family members. May 2023 be a blessed year.

I am happy & also take pride that NSIC has been paying dividend to Government for more than a decade. Even COVID waves could not stop it from serving MSME Sector. We, now, need to explore new growth business opportunities both domestically and internationally. We also need to explore innovative and new ideas to serve the MSME sector in more diverse areas which can add more revenues to the corporation.

With the NSIC Ventures Capital Fund Limited, a subsidiary of NSIC, I am sure NSIC will be able to reach out to large scale start-ups and scale-up the potential business resources for NSIC.

**Let us work as a team, identify goals, stay focused, honour commitment with passion & professionalism and consolidate emerging opportunities to serve the MSMEs.**

**Once again, I extend my best wishes to you and your families for success, good health, happiness and prosperity in 2023.**

Best wishes,

**Sd/-
