- a) Proof of EMD document (UTR no. for the RTGS / NEFT payment slips) is to be submitted along with the Technical Bid. to prove the transfer of payment to the NSIC's Account
- b) The EMD will not carry any interest.
- c) The EMD shall be returned to the unsuccessful bidders within 30 days of the issuance of Work Order to the selected bidder. In case of selected bidder, the Earnest Money Deposit will form part of performance security.
- d) Bid Security (EMD) submitted by the bidder shall be forfeited, if the bidder:
 - i. Withdraws or modify or impairs or derogates from the Bid in any respect within the period of bid validity or
 - ii. If it comes to notice that the information/ documents furnished in its Bid is false, misleading or forged; or
 - iii. Fails to furnish requisite performance security within stipulated time.
- e) Non-submission of proof of EMD within the stipulated date and time will lead to summarily rejection of the Bid.

5. QUALIFYING CRITERIA

Bidders shall meet the following technical eligibility criteria and submit valid supporting documentary proof in support of their claim.

- a. **EMD** of Rs. 3,740/- should be paid in accordance to point no 4 above of Instructions to Bidder of Tender document.
- b. **Authorised Signatory of the Bid:** The Bidder shall enclose the authorisation letter in favour of signatory, under whose Digital Signature Certificate (DSC), the Bid is being submitted, as per details below:
 - i. If the bidder is a Proprietary firm, the Proprietor should sign all documents with Proprietor's stamp bearing his/her full name and name of his firm with its current address, in addition to Digital Signature.
 - ii. If the bidder is a Partnership Firm or LLP, the Documents should be signed by all the designated partners of the firm/LLP with their stamp bearing full type written names and current addresses, in addition to Digital Signature. Alternatively, the Documents should be signed by the partner holding Power of Attorney for the firm on duly notarized non-judicial stamp paper of Rs. 100/- with signatures of all the Partners, in addition to Digital Signature as per format at **Annexure-I**.
 - iii. If the bidder is a Private/Public Limited Company, the Documents shall be signed by a person duly authorized by Board Resolution passed by Board of Directors of the Company/ Corporation for signing the Documents, in addition to Digital Signature.
- c. **Past Performance:** The Bidder must have successfully completed similar work(s) in last 7 years ending 31st August, 2025 as mentioned below –

One similar work costing not less than Rs. 1.50 lac

or

Two similar works costing not less than the amount of Rs. 0.94 lac each

or

Three similar works costing not less than Rs. 0.75 lac each

Similar nature of work means: - "Construction/ maintenance of building, sheds, interior furnishing works etc."

The value of work mentioned above is excluding of GST and the criteria shall be evaluated accordingly.

The Bidder should submit following documents as proof in support of the past experience of similar work completed during last 7 years ending on 31st August, 2025:-

- i. Copies of contracts/ work orders/ agreement reflecting client & service provider names, value of work, date of award, duration of work and Schedule of quantities etc.

- ii. Copies of Work Completion Certificate indicating work order reference and more information like client details with contact information, value of work completed, work duration, date of work completion shall be uploaded with the Bid.

In case of completion certificate issued by the private institutions, TDS certificate/ form 26AS should also be enclosed.

- d. Certificate of Registration for GST.
- e. Partnership Deed in case of partnership firm and Articles of Association and Memorandum of Association in case of Limited Company.
- f. Power of Attorney in favour of person who has signed the tender documents in case of Partnership Firm and Board resolution in favour of person who has signed tender documents in case of Company
- g. Copy of PAN card.

The Bidders would be considered technically qualified based on the above assessment and on submission of requisite documents as mentioned in this tender. The technically qualified bidders shall only be considered for opening of their Price Bid.

Technically qualified bidders have no right to claim for award of the work.

6. SUBMISSION OF TENDER

- a) The expression "Tender Notice" referred to in the Tender Documents shall be deemed to include any Notice/ Letter Inviting Tender with respect to the work forming the subject matter of the documents and vice-versa.
- b) The bid complete in all respects shall be submitted Online on CPP Portal.

The Bidders are required to enroll themselves on CPP portal as per requirements of the portal, using a valid Digital Signature Certificate (DSC) and valid email address and upload the documents on CPP Portal. The instructions for submission of tender on CPP portal are available online under the weblink available at Home Page under the tab 'Bidders Manual Kit':

<https://etenders.gov.in/eprocure/app?page=BiddersManualKit&service=page>

For any query/clarification regarding enrolment/participation on CPP portal, Bidder may send email to: cphp-nic@nic.in

For telephonic support from CPP portal, call their Helpdesk number: +910120-4200462, +910120-4001002, +910120-4001005

- c) The Proposal shall be uploaded in two separate covers:
 - i. Cover I: Technical Bid
 - ii. Cover II: Price Bid

Cover-I : The participating Bidder has to upload technical bid complete in all respect with requisite supporting documents without any conditions, otherwise the offer shall be summarily rejected. No price details should be given or hinted at in the Technical Bid. Bid with such details shall be summarily rejected.

Bidder shall upload **following documents with Technical Bid**: -

- i) Documents towards EMD as specified at clause 5 (a) of ITB.
- ii) Documents in support of Authorization as defined under clause 5 (b) of ITB.
- iii) Form of Tender-cum-Bid Securing Declaration on Bidder's letterhead as per **Annexure-II**
- iv) Valid Documents in support of Past Performance as defined under clause 5 (c) of ITB.
- v) Valid Document in support for **Compliance of restrictions** (land border) as per Clause 15 of ITB as per **Annexure-III**
- vi) Valid Document in support for Undertaking for Non-Blacklisting as per Clause 14 of ITB as per **Annexure-IV**
- vii) Partnership Deed in case of partnership firm and in case of Limited / Pvt. Limited Company, copy of Memorandum of Association & Articles of Association.
- viii) Certificate of Registration for GST.
- ix) Copies of PAN/TAN card.
- x) Complete Bid/Tender document with each page signed and stamped by the Authorized Signatory of Bidder.

It may be clearly noted that the filled up price bid should not be uploaded with Technical Bid. In case the filled up price bid is found inside the technical bid, such bid shall be summarily rejected.

Cover-II shall contain only Price Bid in prescribed format.

The Price Bid / Percentage BOQ with percentage plus or minus premium to be charged by the Bidders for execution of the work.

The participating bidder shall quote percentage premium with (+) or below (-) the estimated cost (refer schedule of quantities) in the excel format file of Price Bid/Percentage BOQ provided on CPP Portal. The bidder shall not alter or modify the said Excel file in any manner except for filling up the name of bidder and percentage premium therein. After filling up the necessary details, the said Excel File shall be uploaded on CPP Portal.

It is to be noted that the Cover-II shall contain only premium percentage without any conditions i.e. deviations / assumptions / stipulations / clarifications / comments / any other request whatsoever otherwise the offer shall be summarily rejected.

NOTE: Technical Bid comprises of all the documents related to eligibility criteria, terms-conditions of tender documents etc. i.e. complete tender documents except Price Bid part.

7. DEVIATIONS TO TENDER CLAUSES

Bidders are advised to submit the bid strictly based on the terms and conditions and specification contained in the Tender Documents and not to stipulate any deviations. Conditional bids are liable to be rejected

8. VALIDITY OF OFFER

Bid submitted by Bidders shall remain valid for acceptance for a minimum period of 120 days from the date of opening of the Tenders. The Bidders shall not be entitled during the said period of 120 days, to revoke or cancel their Bid/Tender or to vary the Bid/Tender price given or any term thereof, without the consent in writing of the Owner. In case of Bidders revoking or canceling their Bids, Corporation shall reject their Bid/Tender forfeiting the Earnest money paid by them along with their Bid/Tender without giving any notice.

9. AWARD OF WORK

Corporation reserves the right to split the job into two or more parts and to award the work to separate agencies/contractors. Work shall be awarded to the lowest bidder, subject to the work experience and fulfillment of other terms & conditions and specifications

10. A. ACCEPTANCE / REJECTION OF TENDER

- i). Corporation does not bind itself to accept the lowest bidder.
- ii). Corporation also reserves the right to accept or reject any tender in part or full without assigning any reason whatsoever.
- iii). Corporation also reserves the absolute right to reject any or all the tenders at any time solely based on the past unsatisfactory performance by the bidder(s) the opinion/decision of NSIC regarding the same shall be final and conclusive.

B. If the information furnished by bidder in respect of fulfilment of eligibility criteria for participating in the Tender is incomplete/ incorrect/ invalid and/or false or fabricated and/or it is found by NSIC at any stage that copies of documents submitted are not genuine & authentic. Additionally, in such a situation the NSIC will also have a right to take appropriate legal action against such bidder and EMD/security amount paid by bidder, if any, shall also stand forfeited

11. FIRM RATES

The percentage Tender premium quoted by Bidder shall remain firm and not change till completion of all works even during the extended period, if any, on any account whatsoever. It may be noted that no deviation on this account will be acceptable and bid not containing firm Tender premium shall liable to be rejected.

12. It will be obligatory on the part of the Bidder to sign the Tender documents for all the components & parts. After the work is awarded, Bidder will have to execute an agreement with the Corporation (As per format attached at **ANNEXURE-V**) for work awarded, on a non-judicial stamp paper of requisite value at his own cost within fifteen days from date of receipt of work order.

13. Any addendum/ corrigendum issued shall form a part of the tender document. There will not be any press notification on amendment/ corrigendum. The purchasers of the tender document/ the prospective bidders are required to visit NSIC web site: <https://www.nsic.co.in/Tenders/Index> and CPP Portal: <https://eTenders.gov.in/eprocure/app> for all such amendments/ corrigenda to NIT as well as the tender document.
14. **Non-Blacklisted:** Bidders declared as suspended/blacklisted/ banned/ debarred by any of State/Central Government of India or CPSU/SPSU within their period of suspension as on the last date of Bid submission shall not be eligible to participate in Bid. Bidder shall submit an undertaking in this regard in the format at **Annexure-IV**.
15. **Compliance of restrictions as per Department of Expenditure, Ministry of Finance, Govt. of India Order (Public Procurement no 4) dated 23.02.2023 (as amended from time to time)-** "Bidder from a country which shares a land border with India" for the purpose of the Order means any eligible entity as per ITB of this tender document participating in the bidding process. Any "Bidder" from a country which shares a land border with India will be eligible to submit tender only if the Bidder is registered with the Competent Authority. The Competent Authority for the purpose of registration shall be the Registration Committee constituted by the Department for Promotion of Industry and Internal Trade (DPIIT). The bidder shall submit a declaration in this regard in the format at **Annexure III**.
16. **One Tender per Bidder:**
In case a Bidder submits more than one Bid/ Tender till the last date of submission of Tender, only one Tender of latest time and date in the bidding process shall be considered.
17. NSIC shall not be responsible for consequential damages such as no internet connection, no power supply, system problems, loss of electronic information, power interruption etc.
18. **Doctrine of Substantial Compliance:** The Qualifying Criteria mentioned in the Tender document are for shortlisting of sources who are competent to perform this contract to ensure best value for money from expenditure of Public Money. This process is neither intended to bestow any entitlement upon nor to create any rights or privileges for the Bidders, by way of overly hair-splitting or viciously legalistic interpretations of these criteria, disregarding the very rationale of the Qualifying Criteria. Keeping this caveat in view, interpretation by NSIC would be based on common usage of terminologies and phrases in public procurement in accordance with the 'Doctrine of Substantial Compliance' and would be final.

Dy. General Manager (C&P)
NSIC Ltd., Okhla,
New Delhi

GENERAL CONDITIONS OF CONTRACT

1. Where the context so requires, words importing the singular only also include the plural and vice versa.
2. Corporation shall mean 'The National Small Industries Corporation Ltd. (NSIC) (A Government of India Enterprise) having its registered office at "NSIC Bhawan, Okhla Industrial Estate, New Delhi – 110020 which expression shall include its legal representatives, successors and assigns.

3. Definition

- a) The 'Contract' means and includes the documents forming the tender and acceptance thereof together with the documents referred to therein including the conditions, the specifications, designs, drawing and instructions issued from time to time by the 'Engineer-in-charge', the formal agreement executed between the Corporation and the Contractor, and all these documents taken together shall be complementary to one another.
- b) The 'Site' shall mean the land and / or other places on, into or through which work is to be executed under the contract or any adjacent land, path or street which may be allotted or used for the purpose of carrying out the contract.
- c) The 'Contractor' shall mean the individual or firm or company, whether corporate or not, undertaking the works and shall include the legal personal representative or such individual or the persons composing such firm or company and the permitted assignee of such individual or firm or company.
- d) The 'Competent Authority' means the Chairman cum Managing Director of the Corporation and his successors.
- e) The Engineer-in-charge means the Technical Officer of the Corporation, as the case may be who shall supervise and be the In-charge of the works.
- f) The Sr. General Manager (EMDV) means the officer who holds the charge of that post in the National Small Industries Corporation Ltd., Okhla Industrial Estate, New Delhi-110020 during the currency of this agreement, to act on behalf of the Chairman of the NSIC Ltd.
- g) 'IS Specification' means the Specification of latest edition with amendments, if any, up to time of receipt of tender by Corporation issued by the Bureau of Indian Standards as referred to in the specifications and / or work orders.
- h) The 'Contract Sum' means the sum agreed, or the sum calculated in accordance with the prices accepted by the NSIC in the tender and / or the contract / negotiated rates payable on completion of the works.
- i) The 'Final Sum' means the amount payable under the Contract by the Corporation to the Contractor for the full and entire execution and completion of works, in time.

- j) The 'Date of Completion' is the date / date(s) for completion of the whole works, set out in the tender documents, or any subsequently amended by the Corporation.
- k) A 'Week' means seven days without regard to the number of hours worked or not worked in any day in a week.
- l) 'Excepted Risks' are risks due to riots (otherwise than among contractor's employees) and civil commotion (in so far as both these are uninsurable) war (whether declared or not), invasion act of foreign enemies, hostilities civil war, rebellion, revolution, insurrection military or usurped power, Acts of God, such as earthquake, lightening, unprecedented floods and other causes over which the contractor has no control and accepted as such by the Competent Authority or causes solely due to use or occupation by the 'Corporation' of the part of works in respect of which a certificate of completion has been issued.
- m) 'Urgent works' shall mean any urgent measures which in the opinion of the Engineer-in-charge, become necessary during the progress of the work to obviate any risk or accident or failure or which become necessary for security.
- n) The 'Works' shall mean the works to be executed in accordance with the contract or part(s) thereof as the case may be and shall include all extra or additional, altered or instituted works or temporary and urgent works as required for performance of the contract.

4. Works to be carried out:

The work to be carried out under the Contract shall, except as otherwise provided in these conditions, include all labour, materials, tools, plant, equipment and transport which may be required in preparation of and for and in the full and entire execution and completion of the works. The descriptions given in the Schedule of Quantities shall, unless otherwise stated, be held, to include wastage on materials, carriage and cartage, carrying in return of empties hoisting, setting, fitting and fixing in position and all other labour necessary in and for the full and entire execution and completion as aforesaid in accordance with good practice and recognized principles.

5. Inspection of Site:

The Contractor shall inspect and examine the Site and its surrounding and shall satisfy himself before submitting his tender as to the nature of the ground and subsoil (so far as is practicable), the form and nature of the Site, the quantities and nature of works and material necessary for the completion of the Works and the means of access to the Site, the accommodation he may require and in general shall himself obtain all necessary information as to risks, contingencies and other circumstances which may influence or affect this tender. No extra charges consequent on any misunderstanding or otherwise shall be allowed.

6. Sufficiency of Tender:

The Contractor shall be deemed to have satisfied himself before tendering as to the correctness and sufficiency of his tender for the works and of the rates and prices quoted in the Schedule of Quantities, which except as otherwise provided, cover all

his obligations under the contract and all matters and things necessary for the proper completion and maintenance of the Works.

7. Discrepancies and Adjustment of Errors:

The several documents forming the contract are to be taken as mutually explanatory of one another:

7.1 (A) In the case of discrepancy between Schedules of quantities, Specifications and / or the Drawings, the following order of preference shall be observed.

- a. Agreement
- b. Letter of Award
- c. Amendment/ Corrigendum to the tender document
- d. Schedule of Quantities (Price Bid)
- e. Drawings
- f. Notice Inviting Tender and Instruction to Bidders
- g. Special conditions
- h. General Condition of Contract (GCC)

7.1 (B) If there are varying or conflicting provisions made in any document forming part of the Contract, the Accepting Authority shall be the deciding authority with regard to the intention of the document.

7.2 Any error in description, quantity or rate in Schedule of Quantities or any omission there from shall not vitiate the Contract or release the Contractor from the execution of the whole or any part of the Works comprised therein according to drawings and specifications or from any of his obligations under the Contract.

7.3 In case of Percentage Rate Tenders, contractor shall fill up the Bill of Quantity/ Percentage BOQ, stating at what percentage below/above (in figures as well as in words) the total estimated cost given in Bill of Quantity/ Price Bid, he will be willing to execute the work. The tender submitted shall be treated as invalid if the contractor does not quote percentage above/below on the total amount of tender

Tenders, which propose any alteration in the work specified in the said form of invitation to tender, or in the time allowed for carrying out the work, or which contain any other conditions of any sort including conditional rebates, will be summarily rejected.

7.4 In case the lowest tendered amount (estimated cost + amount worked on the basis of percentage above/below) of two or more bidders is same, such lowest bidders will be asked to submit online on CPP Portal mentioning percentage above/ below on estimated cost of Tender including all sub sections/sub heads as the case may be,, but the revised percentage quoted above/below on tendered cost or on each sub section/ sub head should not be higher than the percentage quoted at the time of submission of tender. The lowest tender shall be decided on the basis of revised offers.

In case any of such Bidder refuses to submit revised offer, then it shall be treated as withdrawal of his Bid before acceptance and the earnest money shall be forfeited.

If the revised tendered amount of two more contractors received is again found to be equal, the lowest tender, among such contractors, shall be decided by draw of lots in the presence of tender evaluation committee & the lowest bidders those have quoted equal amount of their tenders.

In case all the lowest bidders those have quoted same tendered amount, refuse to submit revised offers, then tender shall be re-invited after forfeiting the full EMD of each Bidder. Bidder(s), whose earnest money is forfeited because of non-submission of revised offer, shall not be allowed to participate in the re-tendering process of the work.

- 7.5 The tender committee, will open tenders on due date and time and Bidder or its representative may remain present at the time.
- 7.6 The officer inviting tenders shall have the right of rejecting all or any of the tenders and will not be bound to accept the lowest or any other tender.
- 7.7 In case of Percentage Rate Tenders, only percentage quoted shall be considered. Any tender containing item rates is liable to be rejected. Percentage quoted by the contractor in percentage rate tender shall be accurately filled in figures and words, so that there is no discrepancy.
- 7.9 In Percentage Rate Tender, the bidder shall quote percentage below/above (in figures as well as in words) at which he will be willing to execute the work. He shall also work out the total amount of his offer and the same should be written in figures as well as in words in such a way that no interpolation is possible. In case of figures, the word 'Rs.' should be written before the figure of rupees and word 'P' after the decimal figures, e.g. 'Rs. 2.15 P and in case of words, the word 'Rupees' should precede and the word 'Paisa' should be written at the end.

8. Performance Security:

Contractor will deposit performance security @ three percent (3%) of the accepted tender cost/ awarded cost as performance security within ten days (10) days from issuance of the letter of award by NSIC. The performance security is to be paid through NEFT/ RTGS as per bank details mentioned in the tender document.

The performance security shall remain with NSIC for a period of 60 (sixty) days beyond the date of completion of all contractual obligations of the contractor, including Defects Liability Period (DLP). The performance security will be forfeited and credited to the NSIC's account in the event of a breach of contract by the contractor/ termination of contract under any clause(s) of the contract. On expiry of a period of 60 days beyond the Defects Liability Period, the Engineer-In-Charge shall, on demand from the Contractor, refund to him the performance security (without any interest) provided the Engineer-in-Charge is satisfied that there is no demand outstanding against the Contractor.

9. Security Deposit

Security Deposit shall be deducted from gross amount of each running bill of the contractor @ five per cent (5 %) till the overall deducted security deposit (including earnest money deposit) reaches three percent (5 %) of the accepted tender cost/ awarded cost. The earnest money deposit shall form part of security deposit.

9.1 **Refund of Security deposit:** The security deposit of 5% deducted from the each running bill of the contractor shall be refunded along with payment of final bill after successful completion of the work in all respect.

9.2 No interest shall be payable to the contractor against the Security Deposit furnished / recovered from the contractor, by the Corporation under any circumstance whatsoever. The security deposit will be forfeited and credited to the NSIC's account in the event of a breach of contract by the contractor/ termination of contract under any clause(s) of the contract.

10. Deviations /Variations Extent & Pricing:

10.1 The Engineer-in-Charge shall have power

- (i) to make alteration in, omissions, from or additions to, or substitutions from the original specification, drawings, designs and instructions that may appear to him to be necessary or advisable during the progress of the work, and
- (ii) to omit a part of the works in case of non-availability of a portion of the Site or for any other reasons, and the Contractor shall be bound to carry out the Works in accordance with any instructions given to him in writing signed by The Engineer-in-Charge and such alterations, omissions, additions or substitutions shall form part of the Contract as if originally provided therein and any altered, additional or substituted work which the contractor may be carrying out on the same conditions in all respects including price on which he agreed to do the main work.

Any alterations, omissions additions or substitutions ordered by the Engineer-In-Charge which in the opinion of the contractor changes the original nature of the Contract, he shall carry it out and the rates for such additional, altered or substituted work shall be determined by the Engineer-in-Charge as per clause 10 (i) to (ii) here under of the tender document.

10.2 The time of completion of the works shall in the event of any deviations resulting in additional cost over the Contract Sum being ordered be extended as follows if requested by the Contractor.

- a) In the proportion which the additional cost of the altered additional or substituted work, bears to the original Contract sum; plus.
- b) 25% of the time calculated in (a) above or such further additional time as may be considered reasonable by the Engineer-in-Charge.

11. Rates for Extra/Additional Items

- i) If the rate for additional, altered or substituted item of work is specified in the Schedule of Quantities, the Contractor shall carry out the additional, altered or substituted item at the same rate.
- ii) If the rate of additional, altered or substituted item(s) of work are not available in Schedule of Quantities awarded but, available in corresponding CPWD DSR, the same shall be derived as under:

Item rate mentioned in CPWD DSR, 2023 with correction factor of 0.973% plus cost index @ 7% plus quoted Tender premium (+/-). The rate so derived shall be reduced by 18% on account of GST as the GST component is released separately.
- iii) If the rate for any altered, additional or substituted item of work is not specified as mentioned in the para 11 (i) & 11 (ii) above, the rate of such item shall be derived from the rate for the nearest similar item specified therein.
- iv) If the rate for any altered, additional or substituted item of work cannot be determined in the manner specified in sub-paras (i) , (ii) and (iii) above, the contractor shall within 7 days of the receipt of the order to carry out the said work, inform the Engineer-in-Charge under advice to the Accepting Authority of the rate which he proposes to claim for such item of work, supported by analysis of the rate claimed, and the Engineer-in-Charge shall, within One month thereafter, after give due consideration to the rate claimed by the Contractor determine the rate on the basis of market rate(s). In the event of the contractor failing to inform the Engineer-in-Charge within the stipulated period of time, the rate which he proposes to claim, the rate for such item shall be determined by the Engineer-in Charge on the basis of market rate(s) and shall be final.

12. Suspension of Works:

- a) The contractor shall, on receipt of the order in writing of the Engineer-in-Charge, or consequent upon issuance of guidelines/orders by any statutory authority for stoppage/suspension of work, suspend the progress of the works or any part thereof for such time and in such manner as the Engineer-in-Charge may consider necessary for any of the following reasons:
 - i) On account of any default on part of the Contractor; or
 - ii) For proper execution of the Works or part thereof for reasons other than the default of the Contractor including stoppage/suspension of works order by any statutory authority; or
 - iii) For safety of the works or part thereof. The contractor shall, during such suspension, properly protect and secure the works to the extent necessary and carry out the instructions given in that behalf by the Engineer-in-Charge.
- b) If the suspension is ordered for reasons (ii) and (iii) in sub-para (a) above. The Contractor shall be entitled to an extension of the time equal to the period of every such suspension plus 25%. No financial compensation for such suspension shall be admissible to the contractor.

13. Time and Extension for Delay:

The time allowed for execution of the works as specified in the Appendix or the extended time as approved by NSIC in accordance with these conditions shall be the essence of the Contract. The execution of the works shall commence from the 10th day after the date on which the Corporation issues written orders to commence the work or from the date of handing over of the site, whichever is earlier. If the Contractor commits default in commencing the execution of the work as aforesaid, Corporation shall without prejudice to any other right or remedy be at liberty to terminate the contract and also to debar the contractor for a period of three years from participating in any tender invited by the Corporation.

13.1 As soon as possible after the Contract is concluded the Engineer-in-Charge and the Contractor shall agree upon a Time and Progress Chart. The Chart shall be prepared in direct relation to the time stated in the Contract documents for completion of items of the works. It shall indicate the forecast of the dates of commencement and completion of various trades or sections of the work and may be amended as necessary by agreement between the Engineer-in-Charge and the Contractor within the limitations of time imposed in the Contract Documents.

13.2 If the work be delayed by

- (a) Force majeure or
- (b) Abnormally bad weather or
- (c) Serious loss or damage by fire, or
- (d) Civil commotion, local combination of workmen strike or lockout, affecting any of the trades employed on the work, or
- (e) Delay on the part of other contractors or tradesmen engaged by Corporation in executing work not forming part of the contract, or
- (f) Any other cause which, in the absolute discretion of the authority mentioned in Appendix is beyond the Contractor's control;

Then upon the happening of any such event causing delay, the Contractor shall immediately give notice thereof in writing to the Engineer-in-Charge but shall nevertheless use constantly his best endeavors to prevent or make good the delay and shall do all that may be reasonably required to the satisfaction of the Engineer-in-Charge to proceed with the Works.

13.3 Request for extension of time, to be eligible for consideration, shall be made by the Contractor in writing within fourteen days of the happening of the event causing delay. The Contractor may also if practicable, indicate in such request the period for which extension is desired.

13.4 In any such case the competent authority may give a fair and reasonable extension of time for completion of the work. Such extension shall be communicated to the contractor by the Engineer-in-Charge and no compensation whatsoever for the extended period, if any shall be applicable/ payable.

14. The Contractor shall arrange, at his own expense, all tools, plant and equipment hereafter referred to as (T & P) labour, P.O.L. & electricity required for execution of the work.

15. FORCE MAJEURE

Any delays in or failure of the performance of either party herein shall not constitute default hereunder or give rise to any claim for damages, if any, to the extent such delays or failure of performance is caused by occurrences such as Act of god or the public enemy, pandemic, endemic, expropriation or confiscation of facilities by Government authorities, or in compliance with any order or request of any Governmental authorities or due acts of war, rebellion or sabotage or fires, floods, explosions, riots or illegal joint strikes of all the workers of all the contractors.

16. MATERIALS

1. All materials to be provided by the Contractor shall be in conformity with the specifications laid down in the contract and the Contractor shall, if requested by the Engineer-in-Charge, furnish proof to the satisfaction of Engineer-in-Charge in this regard.
2. The contractor shall indemnify the Corporation, its representatives or employees against any action, claim or proceeding relating to infringement or use of any patent or design or any alleged patent or design rights and shall pay any royalties or other charges which may be payable in respect of any article or material or part thereof included in the Contract. In the event of any claim being made or action being brought against the Corporation or any agent, servant or employee of the Corporation in respect of any such matters as aforesaid, the Contractor shall immediately be notified thereof.
3. All charges on account of octroi, terminal or GST and other tax/duties on material obtained for the Works from any source shall be borne by the Contractor.
4. The Engineer-in-Charge shall be entitled to have tests carried out as specified as per relevant standard code of practice for any materials supplied by the Contractor even for those for which, as stated above, satisfactory proof has already been furnished, at the cost of the Contractor and the Contractor shall provide at his own expense all facilities which the Engineer-in-Charge may require for the purpose. The cost of materials consumed in tests shall be borne by the Contractor.
5. Stores and Materials required for the works, brought by the Contractor, shall be stored by the Contractor only at places approved by the Engineer-in-Charge. Storage and safe custody of material shall be the responsibility of the contractor.
 - i. Corporation's officials concerned with the Contract shall be entitled at any time to inspect and examine any materials intended to be used in or on the works, either on the Site or at factory or workshop or other place(s) where such materials are assembled, fabricated or at any place(s) where these are lying or from where these are being procured and the contractor shall give such facilities as may be required for such inspection and examination.

- ii. All materials brought to the Site shall become and remain the property of the Corporation and shall not be removed off the Site without the prior written approval of Engineer-in-Charge of the Corporation. But whenever the works are finally completed the Contractor shall, at his own expense forthwith, but with the prior approval from the Corporation, remove from the Site all surplus materials originally supplied by him and upon such removal the same shall revert in and become the property of the contractor. However before giving any approval as aforesaid, the corporation shall be entitled to recover or adjust any amount given as advance to the Contractor.

17. Labour laws and payment of wages to be complied:

The contractor shall comply with the labour laws in force. No labour below the age of eighteen years shall be employed on the works. The bidder should make their own arrangement for the assign all labour trained in the particular field of work preferably local.

The contractor shall obtain a valid license under the Contract Labour (R&A) Act, 1970 and the Contract Labour (R&A) Central Rules, 1971, before the commencement of the work, and continue to have a valid license till completion of work. The contractor shall also abide by the provisions of the Child Labour (Prohibition and Regulation) Act, 1986. The contractor shall comply with the provisions of the Payments of wages act, 1936, Minimum wages Act, 1948, Employment liability Act, 1938, Workmen's compensation act 1923, Industrial dispute Act, 1947, the factories act 1948, maternity benefit act 1961 and any statutory amendments or re-amendments thereof for the time being in force.

In respect of all laborers directly or indirectly employed in the work for the performance of the contractor's part of this contract, the contractor shall at his own expense arrange the safety provision as per safety code framed from time to time by Government/Statutory Authorities and shall at his own expense provide for all facilities in connection therewith. In case, the contractor fails to make arrangement and provide necessary facilities as aforesaid he shall be responsible for any compensation for each default and in addition the Engineer-In-Charge shall be at liberty to make arrangement and provide facilities as aforesaid and recover the costs incurred in that behalf from the contractor.

The contractor shall be fully liable for compliance of EPF or ESI of the labours/ workmen deployed by them for carrying out the work as per prevailing Central or State government norms and the Corporation has nothing to do with the same. Corporation shall not be responsible for any liability/ claims whatsoever in this regard. Further as and when demanded by the Corporation, the contractor shall submit the proof of deductions/ deposits of such liabilities of their labours/ workmen engaged in the work to the Corporation. In case of default, the Corporation may deduct the payments against these liabilities from the bills of the contractor or may stop the payment of the bill till such time the compliance is proved by the contractor.

The ESI and EPF contributions on the part of employer in respect of this contract shall be paid by the contractor. These contributions on the part of the employer paid by the contractor shall be reimbursed by the Engineer-in-charge

to the contractor on actual basis, as applicable subject to submission of necessary supporting documents by the contractor to the satisfaction of the Engineer-in-Charge.

18. Liquidated Damages for Delay

- 18.1 Time is essence of the contract. In case the CONTRACTOR fails to complete the whole work within the stipulated period, and clear the site, he shall be liable to pay liquidated damages @ 0.5% (One half of one percent only) of the value of contract per week and or part thereof of the delay subject to a maximum of 10% (ten percent only) of the value of the contract. The parties agree that this is a genuine pre-estimate loss / damage which will be suffered on account of delay on the part of the Contractor and the said amount will be payable on demand without there being any proof of the actual loss of damages caused by such delay.
- 18.2 The amount of Compensation may be adjusted or set-off against any sum payable to the Contractor under this or any other contract with the Corporation.

19. Defects Liability Period:

The Contractor shall be responsible to make good and remedy at his own expense within defect liability period of 12 months from the date of completion of the work in all respect.

20. Contractor's Liability and Insurance

From commencement to completion of the works, the Contractor shall take full responsibility, care and precautions to prevent loss or damage and to minimize loss or damage to the greatest extent possible and shall be liable for any damage or loss that may happen to the Works or any part thereof from any cause whatsoever (save and except the Excepted Risks) and shall at his own cost repair and make good the same so that, at completion, the works shall be in good order and conditions and in conformity in every respect with the requirements of the Contract and instructions of the Engineer-in-Charge.

- 20.1. In the event of any loss or damage to the Works or any part thereof or to any material or articles at the Site from any of the Excepted Risks the following provisions shall have effect:
- a. The Contractor shall, as may be directed in writing by the Engineer-in-Charge, remove from the site any debris and so much of the works as shall have been damaged.
 - b. The Contractor shall, as may be directed in writing by the Engineer-in-Charge, proceed with the completion of the works under and in accordance with the provisions and Conditions of the Contract, and
- 20.2 Provided always that the Contractor shall not be entitled to payment under the above provisions in respect of such loss or damage as has been occasioned by any failure on his part to perform his obligations under the Contract or not taking precautions to prevent loss or damage or minimize the amount of such loss or damage.

- 20.3 The Contractor shall indemnify and keep indemnified the Corporation and its officers/employees against all losses and claims for injuries or damage to any persons or any property whatsoever which may arise out of or in consequence of the construction and maintenance of works and against all claims, demands proceedings, damages costs, charges and expenses whatsoever in respect of or in relation thereto. Provided always that nothing herein contained shall be deemed to render the Contractor not liable for or in respect of or to indemnify the Corporation and its officers/employees against any compensation or damage caused by the Excepted Risks.
- 20.4 Before commencing execution of the work, the Contractor shall, without in any way limiting his obligations and responsibilities under this condition, obtain and deposit with the Corporation-Contractors **“All Risk Policy” and “Third Party” Insurance policy.**
- 20.5 The Contractor shall at all times indemnify the Corporation against all claims, damages or compensation under the provisions of Payment of Wages Act, 1936, **Minimum Wages Act. 1948, Employer’s Liability Act, 1938 the Workmen’s Compensation Act, 1923, Industrial Disputes Act, 1947 and the Maternity Benefit Act. 1961** or any modifications thereof or any other law relating thereto and rules made thereunder from time to time.
- 20.6 The Contractor shall prove to the Engineer-in-Charge from time to time that he has taken all the insurance policies referred to above and has paid the necessary premiums for keeping the policies alive till completion of the work.
- 20.7 All statutory deductions as applicable like TDS, Works Contract Tax Act etc shall be made from the due payment of the contractor.
- 20.8 No claim for interest will be entertained by the corporation in respect of any balance payments or any deposits which may be held up with the corporation due to any dispute between the corporation and contractor or in respect of any delay on the part of the corporation in making final payment or otherwise.
- 20.9 The contractor shall ensure that no materials/wastes/plant, equipment etc. are dumped at the site. In case any of the above items are dumped, the contractor shall clear the same from the site by or before completion of the work at his own cost or otherwise NSIC shall clear the same work at the contractor’s risk and cost after serving 7 days’ notice.
- 20.10 The contractor will have to make their own arrangement for facilitating movement of labour to work site and back. Facilities are to be provided to laborers as per statutory provision and the same shall not entail or attract any extra cost to NSIC.

21. Safety Code:

- 21.1 The Contractor shall at his own expense arrange for the safety provisions as required by the Engineer-in-Charge, in respect of all labour directly or indirectly employed for performance of the works and shall provide all facilities in connection therewith. In case the Contractor fails to make arrangements and provide necessary facilities as

aforsaid the Engineer-in-Charge shall be entitled to do so and recover cost thereof from the Contractor.

- 21.2 The contractor shall provide and maintain at his own expenses guards, fencing and matching when and where necessary or required by the Engineer-in-Charge for the protection of the works or for the safety and convenience of those employed on the works or the public.
- 21.3 The corporation shall not be liable for any accident, injury or for any other mishap caused to him/them/their employees/agents and labour employed by the contractor and for any kind of damage to the works during the execution of the contract or work done. For any kind of such injury or loss caused to any person/persons mentioned herein above or damages to the work, the contractor shall be exclusively liable.

22. Cancellation/ Termination of Contract in Full or in Part:

22.1 If the Contractor:

- a. At any time makes defaults in proceeding with the Works with due negligence and continues to do so even after a notice in writing of 7 days from the Engineer-in-Charge; or
 - b. Commits default in complying with any of the terms and conditions of Contract and does not remedy it or take effective steps to remedy it within 7 days after a notice in writing is given to him in that behalf by the Engineer-in-Charge; or
- i. Fails to complete the works or items of work on or before the date(s) of completion, and does not complete them within the period specified in a notice given in writing in that behalf by the Engineer-in-Charge; or
 - ii. Enters into a contract with the Corporation in connection with which commission has been paid to any person(s) or agreed to be paid by him or to his knowledge, unless the particulars of any such commission and the term of payment have previously been disclosed in writing to the Accepting Authority/Engineer-in-Charge; or
 - iii. Offers or gives or agrees to give to any person in Corporation's service or to any other person on his behalf any gift or consideration of any kind as an inducement or reward for doing or for bearing to do or having done any act in relation to the abstention or execution of this or any other Contract for the Corporation or
 - iv. Obtains a Contract with the Corporation as a result of ring tendering or other non-bonafide methods of competitive tendering; or
 - v. Being an individual or any of its partner (in case of the Contractor is a partnership firm) at any time is adjudged insolvent or have a receiving order or order for administration of his estate made against him or shall take any proceedings for liquidation or composition (other than a voluntary liquidation for the purpose of amalgamation or reconstruction) under any insolvency Act for the time being in force or make any conveyance or assignment of his affective or composition or arrangement of the benefit of his creditors or purport so to do, or if any application be make under any insolvency Act for the time being in force for the sequestration of his estate or if a trust deed be executed by him for benefit of his creditors; or

- vi. Being a company, passes a resolution or the Court makes an order for liquidation of its affairs, or a receiver or manager on behalf of the debenture holders is appointed or circumstances shall arise which entitle the Court or debenture holders to appoint a receiver or manager; or
 - vii. Assigns, transfers sublets (engagement of labour on a piece-work basis or of labour with materials not be incorporated in the work shall not be deemed to be subletting) or attempts or assign, transfer or sublet the entire works or any portion thereof without the prior written approval of the Accepting Authority.
- 22.2 The Competent Authority may, without prejudice to any other right or remedy which shall have accrued or shall accrue thereafter to the Corporation by written notice cancel/ terminate the contract as a whole or in part as it may deem appropriate.
- 22.3 The Competent Authority shall on such cancellation/ termination, be entitled to:
- a. Take possession of the site and any materials, construction plant, implements, stores, etc., thereon; and/or
 - b. Carry out the incomplete work by any means at the risk and cost of the Contractor.
- 22.4 On cancellation/ termination of the Contract, in full or in part, the Accepting Authority shall determine the quantum of amount, if any, recoverable from the Contractor for completion of Works or part of the works or in case the works or part of the works is not completed, the loss or damage suffered by the Corporation. In determining the amount credit shall be given to the Contractor for the value of the work, if any, executed by him up to the time of cancellation of the contract, the value of contractors material taken over and incorporated in the work and use of tools & tackle and machinery belonging to the Contractor.
- 22.5 Any excess expenditure incurred or to be incurred by the Corporation in completing the Works or part of the Works or the excess loss or damages suffered or may be suffered by the Corporation as aforesaid after allowing such credit shall be recovered from any money due to the Contractor or any account, and if such money is not sufficient the Contractor shall be called upon in writing to pay the same within 30 days.
- 22.6 If the Contractor shall fail to pay the required sum within the aforesaid period of 30 days, the Engineer-in-Charge shall have the right to sell any or all of the Contractor's unused materials, constructional plant, implements, temporary buildings, etc. and apply the proceeds of sale thereof towards the satisfaction of any sums due from the Contractor under the contract and if thereafter there be any balance outstanding from the Contractor, it shall be recovered in accordance with the provisions of the Contract.
- 22.7 Any sums in excess of the amounts due to the Corporation on unsold materials, constructional plant, etc. shall be returned to the Contractor, provided always that if cost or anticipated cost of the completion by the Corporation of the works or part of the works is less than the amount which the Contractor would have been paid had

he completed the works or part of the works such benefit shall not accrue to the Contractor.

23. Liability for Damage, Defects or Imperfections and Rectification thereof:

- 23.1 If the Contractor or his workmen or employees shall injure or destroy any part of the building in which they may be working or any building, road, fence etc, continuous to the premises on which the work or any part of it is being executed, or if any damage shall happen to the work while in progress the Contractor shall upon receipt of a notice in writing from Engineer – in-charge in that behalf, make the same good at his own expense. If it shall appear to the Engineer-in-Charge or his Representative at any time during construction or re-construction or prior to the expiration of Defects Liability Period, that any work has been executed with unsound, imperfect or unskilled workmanship or that any materials or articles provided by the Contractor, the contractor shall, upon receipt of a notice in writing in that behalf from the Engineer-in-Charge, forthwith rectify or remove and reconstruct the work so specified in whole or in part, as the case may require or as the case may be, and/or remove the materials or articles at his own expense, notwithstanding that same may have been inadvertently passed, certified and paid for and in the event of non-compliance his notice aforesaid, the Engineer-in-Charge may rectify or remove and re-execute the work and/or remove and replace with others the materials or articles complained of as the case may be, by other means at the risk and expense of the Contractor.
- 23.2 In case of repairs and maintenance works, splashes and dropping from white washing, painting, etc. shall be removed and surfaces cleaned simultaneously with completion of these items of work in individual rooms, quarters or premises, etc. where the work is done, without waiting for completion of all other items of work in the contract. In case the Contractor fails to comply with the requirements of this condition, the Engineer-in-Charge shall have the right to get the work done by other means at the cost of the Contractor. Before taking such action, however, the Engineer-in-Charge shall give three days' notice in writing to the Contractor.

24. Urgent Works:

If any Urgent work (in respect whereof the decision of the Engineer-in-Charge shall be final and binding) becomes necessary and Contractor is unable or unwilling at once to carry it out, the Engineer-in-Charge may by his own or other workpeople carry it out, as he may consider necessary. If the urgent work shall be such as the Contractor is liable under the contract to carry out at his expenses incurred on it by the Corporation shall be recoverable from the Contractor and be adjusted or set off against any sum payable to him.

25. PAYMENTS:

- 25.1 The Contractor shall submit a tax invoice for an amount of executed at the accepted premium percentage rate.
- 25.2 Payment shall be released as per the quantum of work executed in accordance to the instruction and drawings issued to the contractor. Any work executed by the contractor in violation to the tender specifications, drawings and direction of Engineer in charge shall constitute breach of agreement and shall not qualify for the

measurement and payment. The measurement shall be jointly recorded by the contractor and representative of NSIC. **If Contractor intends to submit interim R.A Bills, these should not be less than Rs 1.00 Lac (excluding GST) value of work executed.** All other statutory deductions and Security deposit as applicable shall be effected from each running bills.

25.3 No escalation will be paid even in extended period, if any.

25.4 All statutory deductions as applicable like TDS, and other taxes shall be made from the due payment of the contractor.

26. MOBILISATION ADVANCE:

No mobilization advance whatsoever shall be paid for carrying out this work.

27. TERMINATION OF CONTRACT ON DEATH OF CONTRACTOR

Without prejudice to any of the rights or remedies under this contract, if the contractor dies, the NSIC shall have the option of terminating the contract without levy of compensation to the contractor.

28. Code of Integrity for Public Procurement:

NSIC as well as Bidders, contractors and consultants should observe the highest standard of ethics and should not indulge in the following prohibited practices, either directly or indirectly, at any stage during the procurement process or during execution of resultant contracts:

- i. “ **Corrupt Practice**”: making offers, solicitation or acceptance of bribe, rewards or gifts or any material benefit, in exchange for an unfair advantage in the procurement process or to otherwise influence the procurement process or contract execution;
- ii. “**Fraudulent Practice**”: any omission or misrepresentation that may mislead or attempt to mislead so that financial or other benefits may be obtained or an obligation avoided. This includes making false declaration or providing false information for participation in a tender process or to secure a contract or in execution of the contract;
- iii. “**Anti-Competitive Practice**”: any collusion, bid rigging or anti-competitive arrangement, or any other practice coming under the purview of The Competition Act, 2002, between two or more Bidders, with or without the knowledge of NSIC, that may impair the transparency, fairness and the progress of the procurement process or to establish bid Prices at artificial, non-competitive levels;
- iv. “**Coercive Practice**”: harming or threatening to harm, persons or their property to influence their participation in the procurement process or affect the execution of a contract;
- v. “ **Conflict of Interest**”: Participation by a bidding firm or any of its affiliates that are either involved in the consultancy contract to which this procurement is linked; or if they are part of more than one bid in the procurement; or if the bidding firm or their personnel have relationships or financial or business transactions with any official of procuring entity who are directly or indirectly related to tender or execution process of contract; or improper use of information obtained by the

- (prospective) Bidder from the NSIC with an intent to gain unfair advantage in the procurement process or for personal gain; and
- vi. **“Obstructive Practice”** materially impede the NSIC one or more of the above mentioned prohibited practices either by deliberately destroying, falsifying, altering; or by concealing of evidence material to the investigation; or by making false statements to investigators and/ or by threatening, harassing or intimidating any party to prevent it from disclosing its knowledge of matters relevant to the investigation or from pursuing the investigation; or by impeding the NSIC audit or access to information;

29. Punitive Provisions:

Without prejudice to and in addition to the rights of NSIC to other penal provisions as per the bid documents or contract, if NSIC comes to a conclusion that a (prospective) Bidder/contractor directly or through an agent, has violated this code of integrity in competing for the contract or in executing the contract, NSIC may take appropriate measures including one or more of the following:

- i. If his bids are under consideration in any procurement:
- a) Forfeiture or encashment of EMD;
 - b) Calling off of any pre-contract negotiations; and
 - c) Rejection and exclusion of the Bidder from the procurement process
- ii. If a contract has already been awarded

SPECIAL CONDITIONS

1. During working at site, some restrictions may be imposed by Engineer-in-Charge/Security staff of Corporation or Local Authorities regarding safety and security etc., the contractor shall be bound to follow all such restrictions/instruction & nothing extra shall be payable on this account.
2. No compensation shall be payable to the contractor for any damage caused by rains lightening, wind, storm, floods Tornado, earth quakes or other natural calamities during the execution of work. He shall make good all such damages at his own cost; and no claim on this account will be entertained.
3. No labour hutment shall be allowed in the premises. All labourers should leave the site after day's work. The security & Watch ward for safeguarding the contractor's materials/work etc. shall be arranged at his cost only.
4. The percentage tender premium quoted by the bidders shall remain firm for the contract period/ extended contract period.
5. If the contractor fails to proceed with the work within the stipulated time as specified from the date of issue of letter of intent/letter to proceed with the work, the Corporation shall reject the award of the work and the contractor shall be debarred from participating in any tender invited by the Corporation for a period of three years.
6. **Execution of Work at Risk & Cost of Contractor:**
The balance work, if any, left to be completed after the determination/ cancellation of the contract as per clause no. 22 of the 'General Conditions of Contract' shall be got executed by the Corporation as stipulated in the said clause at the risk and cost of the contractor and the additional expenditure, if any, incurred by the Corporation in getting the work executed in the manner stated above, the same shall be recovered from the dues of contractor. In case the dues of the contractor are not sufficient, the contractor shall be liable to deposit the excess amount incurred by the Corporation as communicated by the Engineer-in-charge within 30 days of written notice.
7. The work shall be executed in accordance with the latest CPWD specification mentioned in the Schedule of quantity and in case of any discrepancy the CPWD specifications with latest amendments if any, shall be followed. The decision of the Engineer-In-Charge in this regard shall be final and binding upon the contractor.

For all scheduled BOQ (CPWD DSR) items, the description/ rate/ unit of relevant CPWD DSR item shall be applicable. In case of any ambiguity/ discrepancy is observed in scheduled BOQ (CPWD DSR) items, description/ unit/ rate of relevant CPWD DSR item will hold good.
8. The materials used for carrying out the work shall be of best available quality and as per approved list of local CPWD brand and agreed by Engineer-In-Charge. The contractor has to carry out the necessary testing as per CPWD specification for its conformity with specifications and all testing charges shall be borne by the contractor.
9. All the civil works, if required, like fixing of load hooks, making chases in the wall, drilling of holes, fixing of doors and finishing of jambs, providing scaffolding for carrying out complete works shall be arranged by the contractor and making good the damages. Nothing extra on these account shall be considered or paid.

10. The debris/ scrap generated during the course of execution of work shall be safely disposed off by the contractor outside of the Magadh University campus or as directed by the Engineer-In-Charge. Nothing extra shall be paid to the contractor on this account.
11. The contractor shall be fully responsible for the any injury or damage caused to the workmen deployed by him at site for carrying out the work and Corporation has nothing to do with such happenings and in no way shall be held responsible for the same.
12. The item rates mentioned in the Schedule of Quantity covers all the materials, labours, wastage, cartage, cess, duties etc. all complete for execution of finished item of work, but excluding GST. GST shall be released separately on submission of documentary proof of remittance of the same.
13. The items shall be strictly executed as per direction and instruction of Engineer-In-Charge. The Engineer-In-Charge shall have rights to modify, alter the items mentioned in the Schedule of Quantity, based on site and functional requirement of the Centre & contractor bound to execute the same as per instruction of Engineer-In-Charge.
14. Water & electricity, if required, shall be made available at site by NSIC for execution of work without any cost. However, the contractor shall make the necessary arrangement for extension of water/power connection to the work site from the designated points, as per his requirement. Water and electricity so supplied shall be judiciously utilized by the contractor for the work and all efforts should be made to avoid any wastage.
15. The contractor shall plan execution of work in such a manner so that execution of work does not disturb the functioning of University Campus.
16. The polymer concrete/ mortar to be used for the work shall be of SIKA, FOSROC, Dr. Fixit, BASF, CICO or equivalent brand as approved by the Engineer-In-Charge. Elastomeric compound to be used for the work shall be of SIKA, FOSROC, Dr. Fixit or equivalent brand as approved by Engineer-In-Charge.
17. Contractor shall maintain proper record of the materials related to SBR based polymer concrete/ mortar/primer, elastomeric materials etc. brought to site for execution of work.
