MARKETING SUPPORT

Marketing has been identified as one of the most crucial tool for the growth and survival of MSMEs in today's intensely competitive market. NSIC acts as a facilitator and has devised a number of schemes to support enterprises in their marketing efforts in both domestic and international markets. These schemes are briefly described as under:

- **Raw Material Distribution (RMD)**

The RMD scheme enables MSMEs to procure essential raw materials in required quantities at competitive prices. NSIC facilitates nationwide procurement of items such as aluminium, steel, paraffin wax, coal, and bitumen etc by entering into MoUs with primary producers. By pooling MSME requirements, NSIC procures bulk supplies from companies like NALCO, SAIL, RINL, and AM/NS India, etc securing higher discounts that are passed on to MSMEs. This reduces procurement costs and eliminates middlemen. Additionally, NSIC operates godowns across the country under Agency Sales Operations, ensuring timely supply of raw materials as per producers' instructions.
