My name is Prabhjot Kaur. I have done retail sales course from retail sales associate NABARD. I am very happy to do this course. Because of that I got a good job today. I thank nabard sale from the bottom of my heart. I got a sales job at a fashion shop. Where I am getting a salary of 15000 rupees. With which the maintenance of my house and my expenses go well. With this, my father is also very happy because his burden has reduced.

NSIC Wishes him for great success in the future.

Mr. Manveer Singh, from the village of Pakhowal, always aspired to become an electrician. Pursuing his goal, he enrolled in a Field Technician Course after completing his studies. The course provided him with essential skills in electrical circuit design, fault diagnosis, wiring installations, and system maintenance. Manveer also learned to repair a variety of equipment, including home appliances like washing machines and other electrical devices. Upon completing his training, he secured a position at Ubhi Electrical, where he started earning 8,000 rupees per month. Wishing you a future filled with growth and excellence, NSIC believes in your potential!

GURPREET KAUR

Mr. Gursharan Singh, from the village of Jodhan, was inspired by his teacher to pursue a career as an ITI electrician teacher. Motivated by this vision, he enrolled in a Field Technician Course where he acquired valuable skills in electrical wiring, circuit repair, and safety protocols. His training included working with essential tools such as oscilloscopes, wire testers, and crimping tools, equipping him to repair various home appliances like refrigerators, fans, and microwave ovens. After completing the course, Gursharan began his professional journey at Happy Electronics with a salary of 7000/- per month.

- ❖ No. of Staff 3 Nos.
- ❖ MSME Udyam No
- ❖ Enterprise Type Micro
- ❖ Financial assistance availed
- ❖ Turnover/Annual Salary (Rs in lakh) 96,000/-

Mr. Harjot Singh, hailing from the village of Khandoor, was deeply inspired by his grandfather's work as a Junior Engineer at PSPCL. Motivated by this legacy, Harjot pursued his dream of becoming an electrician by enrolling in a Field Technician Course. There, he gained valuable skills in circuit diagnostics, wiring, and the use of essential tools such as multimeters, oscilloscopes, and insulation testers. Upon completing his course, Harjot secured a position at Kaala Electrical, where he earned 8000/- per month. His expertise not only includes working with complex electrical systems but also extends to repairing home appliances like washing machines and refrigerators.

Wishing you a future filled with growth and excellence, NSIC believes in your potential!
