

Excellent Performance – A continuous Journey towards Expansion of Human Capabilities.

NSIC has taken up the Corporate Social Responsibility Proposals for the Financial Year 2013-14. As per the DPE Guidelines NSIC appointed external evaluation agency to conduct the evaluation study of the CSR projects.

The Evaluating Agency observed in its study that NSIC has not just achieved their Economic Goals but also **actively contributed to the 'Social and Economic Development' of the country. NSIC designed its CSR application which are sector and need specific. The CSR Projects have successfully improved the standard of living of people, provided support to the needy and physically challenged persons.**

And above all according to the evaluating agency, NSIC has achieved the EXCELLENT PERFORMANCE through its wide CSR Initiatives.

And this remark make NSIC more determined and committed towards fulfilling its social responsibilities and create values in the society as a whole.
